WEDNESDAY MORNING SESSION

OCTOBER 23, 1957

LOUISBURG BAPTIST CHURCH, LOUISBURG

The messengers, alternates and visitors to the 127th. Annual Meeting of the Tar River Baptist Association gathered at the Louisburg Baptist Church on October 23, 1957 at 10:00 for the first day's program. Hickory Rock and Maple Springs Baptist Churches were co-hosts with the Louisburg church.

Moderator Joe Savage from Peachtree Baptist Church presided over the meeting. Clerk James C. Harris of Inez Baptist Church recorded the proceedings.

Ellis Hollon, Pastor of Rock Springs, served as Chorister and Mrs. Flavial Cash served as pianist the first day.

Joe Savage called the association to worship by reading II Corinthians 8th. chapter before he led in prayer.

After the congregation sang "Onward Christian Soldiers", Garland Foushee, pastor of Tabernacle, gave the devotions. He used II Timothy 2:20 and brought these thoughts: "It is well that we ask ourselves today — are we vessels of honor or vessels of dishonor? It is a miracle of miracles that God has chosen the human instrument through which to work. It should humble us to know that we are chosen of God to do his work in the world today. May we let God purge us from all jealousy, pride and self-seeking that we might be vessels of gold and not vessels of earth and wood to dishonor our God. Let us use every minute to honor God for eternity is in it."

After special music by the Louisburg Quartet, Gilbert Mister, Pastor of Corinth and New Bethel, brought the sermon of the hour. This was a stirring and challenging message.

The Moderator called for a motion for the organization of the group for business. G. M. Beam made the motion that the messengers and alternates present constitute the 127th. Annual Session of the Tar River Association and that the business be in the order of the printed program.

G. M. Beam of the Louisburg Baptist Church gave a word of welcome and Joe Savage responded.

James C. Harris read the highlights from the minutes of the Executive Committee Meetings of the year.

REPORT OF DIVISION COMMITTEE

Since the motion concerning the division of the Tar River Association was tabled at the 1956 Associational session, it is neccessary that this tabled motion be brought back for action at this present Associational session. The motion for division was tabled. There were two motions which followed:

(1) That the study be continued by the Executive Committee.

(2) That the Division Committee study the plans of procedure in the event that the division took place, in order to enable the transition to be one of order and progress in the Kingdom's work.

The following report is offered by the Division Committee, having been approved by the Executive Committee:

1. That the moderator be empowered to appoint two Committees; one to serve the northern area and one to serve the southern area. These Committees' duties will be the following:
   1. To select a name for the two new associations
   2. To determine the line of division
   3. To divide the equipment and materials belonging to the Tar River Association.

   (The first three duties should be transacted in a joint meeting of the two Committees.)
   4. To offer nominees to fill the posts of responsibilities as listed below. The opportunity will be given for additional or other nominations from the respective groups prior to

their approval.
Moderator
Vice-moderator
Clerk
Treasurer
Auditor
Training Union Director
Sunday School Superintendent
W. M. U. Superintendent
Brotherhood President
Chairman of Evangelism
Representatives for (1) Home for the Aging (2) Hospital (3) Vacation Bible School Director.
Historian, Orphanage and Christian Education Representatives.
Music Representative.

5. To offer nominees to fill the responsibility of the Committees below:

A. Nominating Committee composed of five (5) persons, whose duty will be to nominate the members of the various committees and associational officers deemed necessary to facilitate the work of the Association. The Nominating Committee will be appointed hereafter by the Moderator of the respective Association.

B. Credentials Committee composed of five (5) members whose duty will be to provide the Association with authority for operation and to determine the extent of the powers of the Association.

C. Resolutions Committee composed of five (5) members, whose duty will be to propose such resolutions which will express the conviction and sentiments of the Association.

D. Finance Committee composed of five (5) members, whose duty will be to propose a budget and to suggest to the Churches of their respective group the amount necessary to meet the said budget.

E. Time, Place and Preacher Committee composed of five (5) members, whose duty will be to suggest a time, place and preacher for the annual Associational meeting.

F. Planning Committee composed of ten (10) members, whose duty will be to project the future plans for the coming Associational year.

6. To see that the surrounding Churches are contacted by some member of the Committee. The Committee should seek to find out what the possibilities are of such Churches joining with one of the two groups and what sup-

port they have been giving Associational Missions in their former Association. This will give some indication of the strength that the new groups might anticipate.

II. That the Executive Committee will be composed of the Moderator, Vice-moderator, Clerk, Associational Missionary, Treasurer, Associational Sunday School Superintendent, Associational Training Union Director, Associational WMU Superintendent and Associational Brotherhood President. There will be fifteen additional members of the Executive Committee, five elected whose term will expire in 1959, five whose term will expire in 1960 and five whose term will expire in 1961.

III. That the Executive Committee of each Association will be authorized to call an Associational Missionary, to determine his salary and to define his duties.

IV. That the Constitution and By-Laws used by the Tar River Association be adopted by both bodies with the privilege to make such amendments to said Constitution as they deem necessary.

The Committee whose duties have been set forth above, will be terminated when their report is adopted by the Association, or when their report is defeated at the Associational meeting of 1958.

If these Committees are set in motion at the 1957 annual Associational meeting and their report adopted at the 1958 annual Associational meeting, such action will terminate the Tar River Association as originally constituted, and create two new associations.

Aubrey S. Tomlinson made a motion that recommendation number IV in the report of the Division Committee be omitted. Recommendation IV is that the Constitution and By-Laws used by the Tar River Association be adopted by both bodies with the privilege to make such amendments to said Constitution as they deem necessary. John Link made a suggestion that a representative for the Orphanage and Christian Education be added to the list of representatives. With these two changes the report was adopted.

G. M. Beam spoke for the above report.

V. E. Duncan, Associational Missionary, introduced the new pastors of the Association: Jarvis Teague, Littleton and Enterprise; Gross Robinson, Union Hope; Charles Bartholomew, Gardner's and Vaughan; Carl Poston, Sulphur Springs and Brown's;

Bob Freeland, Cedar Rock. Joe Savage welcomed them into the Association.

The Moderator called on Gilbert Mister, Vice-Moderator, to preside over the meeting while he met with a group of messengers.

At this point on the program V. E. Duncan, Associational Missionary gave his report.

REPORT OF ASSOCIATIONAL MISSIONARY

1956 - 1957

In rendering this the eighth annual report to the Tar River Association, at its 127th. annual session your missionary has much for which he is profoundly grateful: first for the strength to answer the never ending calls from the churchs and pastors, which provide opportunities to keep the work on the hearts of the people, and then for the fine support given in the emphasis placed upon the various phases of our denominational work. The spirit of unity and sacrifice is such as to encourage one to put forth the greatest effort in promoting the work of the Kingdom of our Lord. Those phases of the work emphasized may have been to some degree traditional, but all will admit that they are fundamental and biblical.

The following covers the most of your missionary's activities within the association:

33	Preached (Miss. Emphasis)	1	RA-GA Camp, W. Forest
5	Deacon's Ordinations	3	Lottie Moon Programs
1	Survey	4	Executive Com. Meetings
14	Home Comings	3	Ground Break. services
3	Brotherhood Organizations	2	Bible School Clinics
6	BTU Group Conferences	2	M Nights
5	BTU Training Schools	2	Addresses to Bro'hoods
5	District Mission Schools		Atten'. many ch. Revivals

EVENTS THAT DESERVE SPECIAL MENTION

1. Beginning October 28, 1956, we had two weeks of Mission Schools, 20 Home, Foreign, State and Associational Missinoaries were in our association for two weeks. Attendance totaled 15,234. 44 churches participated, 21 in Mission Study. The missionaries,

in our churches and homes, were a great blessing.

2. 5 Group BTU Training Schools were heartily supported by 41 churches, with an attendance of 2280. Since January over 1100 awards have been earned. This breaks all previous records. Pastors and local leaders gave fine support as teachers. Our seminary student pastors deserve special commendation here.

3. RA-GA conclave, Wake Forest was the outstanding event for our boys and girls. The registration totaled 228. Again, but for the hearty cooperation of our local leadership, pastors and local workers, this could not have been. For next year we hope for more of our churches to send their boys and girls.

4. Your missionary has been called upon by our state leadership to assist in two Mission Schools in other associations (Neuse, Roberson) and two Mission Emphasis weeks (Union, French Broad). Such service is rendered for mileage and entertainment. The whole program of our Convention is presented.

5. For the immediate future we have two Music Conferences, Norlina, November 4, 7:30 and Bunn, November 5, 7:30. A leader from our State Music Department will lead. (Deacon's)

6. Six conferences will begin Nov. 13 at 7:30 for three nights. No. I Littleton. No. II Warren Plains. No. III Henderson 1st. No. IV. Sandy Creek. No.V Peachtree. No. VI Pine Ridge. Other features for the work of the year ahead will be presented by the Program Committee.

THUS CLOSES seven and one-half happy years of service to the Tar River Association. In the last year we have been in 60 of the 61 churches. Some more than once. There is no help we would even hesitate to give, if wanted by the pastor or some authorized church representative. We covet opportunities to lay upon the hearts of our people the challenge of the total program of the Kingdom of our Lord and Savior, Jesus Christ.

AUDITOR'S REPORT

TO THE TAR RIVER BAPTIST ASSOCIATION:—

This is to certify that I have examined the records of Mrs. Florence J. Wells, Treasurer of the Tar River Baptist Association, for the year 1956 - 1957 and find them correct in all respects.

This, the 22nd. day of October, 1957.

Gaither M. Beam
Auditor

Adopted.

The Moderator appointed the following committees:

RESOLUTIONS COMMITTEE

Julian King, Chairman, Castalia; Mrs. C. P. Allen, Warrenton; Mrs. Eddie Gray Brewer, White Level; David Fite, Kittrell.

NOMINATING COMMITTEE

T. H. Steen, Chairman, White Level; Mrs. D. L. Hoyle, Carey's Chapel; J. E. Wilder, Peachtree; Mrs. C. G. Frazier, Ephesus; Mrs. Joseph Perry, Duke Memorial; Mrs. V. E. Duncan, Louisburg.

FINANCE COMMITTEE

F. E. Pinnell, Chairman, Henderson, First; J. P. Timberlake, Louisburg; A. G. Willcox, Sr., Bear Swamp.

The congregation sang the hymn, "Stand Up, Stand Up For Jesus" after which the Moderator introduced the speaker of the hour, Dr. Leslie Campbell of Campbell College. He brought a fine message on "Christian Education". The hightlights of his message are as follows: "In any progressive, forward - looking program for a great denomination like ours provisions must be made for an ample Christian Education program. While Baptist have taken leadership in Christian Education in this state, the support the seven colleges now are receiving is inadequate. If we stand still in our program along with sister denominations instead of educating 45 per cent of our college students, we shall 15 years from now be educating only about 22½ per cent."

Aubrey S. Tomlinson, Pastor of Louisburg, made some announcements concerning the lunch and then Leonard Thomas, Pastor of North Henderson, returned thanks for the noon meal.

WEDNESDAY AFTERNOON SESSION

The hosts churches served a delicious lunch to the 348 people present after which the meeting reconvened.

Pastor G. W. McDowell of Pilot led the devotions. He read Romans 13:1-10 and brought these thoughts - "God ordained civil governments. He did not ordain evil men in government. We are not only to keep God's laws but the laws of our county, state and nation - they are for our protection. As Christian citizens, we ought, to the best of our ability, keep the laws of our county, state and nation".

Ben C. Fisher of Southeastern Seminary, Wake Forest, brought a fine message on "Religious Liberty". He pointed out five dangers to Religious Liberty. They are communism, pagan religions, Catholicism, compromise and not knowing what Religious Liberty is. After this powerful talk the congregation sang "O Beautiful For Spacious Skies."

Mrs. John Link, Warrenton Baptist Church favored the group

with a beautiful solo accompanied by Mrs. Flavil Cash at the piano.

The Credentials Committee reported that the Perry's Chapel Baptist Church was in line for admission to the Tar River Association.

Pastor Ralph N. Culler of North Warrenton gave the report on the Biblical Recorder.

1957 REPORT ON BIBICAL RECORDER

Good reading brings knowledge, and knowledge brings understanding, and out of understanding comes the power to live wisely.

Never before has so much reading matter been before the eyes of the people as there is today. Baptist like others, are tempted to stop, look, buy and read - - - from the stream of poison that flows from many publishers, bent on selling more and more of their unclean books and magazines, to enrich themselves as they care little for the evil effect of their wares.

The BIBICAL RECORDER has been giving to North Caorlina readers sound religious literature for more than 123 years, the present circulation is approximately 61,500 each week.

Tar River Association has a total of 1,500 subscriptions, 10 churches have 1,130 subscriptions on every family plan, 34 churches have 450 subscriptions either single or club plan and 17 churches have no subscription.

Respectfully submitted,
Ralph N. Culler

W. A. Smith from the Baptist Orphanage made a talk about The Baptist Children's Homes of North Carolina. Here is his message in part:

ANNUAL REPORT OF THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. — TO THE ASSOCIATIONS - 1957

UNMET NEEDS

The year 1956 was another busy one at the Baptist Children's Homes. We were able to admit to our care only one fifth of the children for whom application was made. There were a total of 813 applications. Of this number only 169 children could be admitted to some phase of our program. Certainly all the other 644 were in need or their applications would not have been signed by Baptist Pastors.

The question often arises, "How many dependent children should North Carolina Baptists provide for?" Probably an exact answer is impossible. Last year we served a total of 751, an increase of 15 over the year before. Of these, 126 were supported in Foster Boarding Homes. Perhaps a conservative estimate is that Baptists of North Carolina should serve about 1,000 children annually. It is, therefore, planned to gradually expand the Foster Home Program until we as a Denomination are caring for our proportionate share of dependent children.

Another need is the Indian Orphanage at Pembroke. This Home, which cares for fifteen to twenty children, is located in Roberson County in the Burnt Swamp Baptist Association.

HOW CAN BAPTISTS FINANCE THESE ADDITIONAL NEEDS?

The only possible way now for your Children's Homes to get more money to meet these challenging needs is through an increased Thanksgiving Offering in November. As our people increase their giving, we will expand the Foster Home Program and care for some of the 644 children who had to be turned away last year. Surely the Master is not pleased with His servants until they have done their best.

In the absence of J. W. Riggan, Home for the Aging Representative, John Link read the report.

REPORT ON N. C. BAPTIST HOMES FOR AGING

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued favor, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied.

The new building increased facilities to 112 residents, including Resthaven and Albemarle. It also added half a million dollars to the value of the assets.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, N. C., to give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the homes to 150 residents.

Two Wills have been probated in Forsyth County in which the Homes were remembered with sizable gifts when received. Word has come of other Wills in which the Homes will share.

A total of about eighty-five thousand ($85,000) dollars has been received from the February Special Day Offering. This represents an average gift of ten (10c) cents per Baptist - 850, 000 in number.

The challenge facing the Homes for the Aging at present is to finish paying for the new building, although the Baptist State Convention authorized that the Homes might borrow up to one hundred, seventy-five thousand ($175,000) dollars to finish paying for the construction and equipping the new building on Reynolds Park Road. Actually it was not necessary to borrow but one hundred thousand ($100,000) dollars. Surely, with all North Carolina Baptists responding with a generous Special Day Offering on the third Sunday of February, 1958, and with continued gifts coming in from other sources as they have been in the past, this balance of one hundred thousand ($100,000) dollars, should be paid within the year. Accordingly, if every pastor and superintendent of the Sunday School will urge the Members of each church to respond to this worthy cause, the Baptist Homes of Aging would be free of debt by the end of the year, 1958.

The residents, and all connected with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our state in thanking God for His favor and blessings year by year.

The state of health of the residents has been remarkably good, considering their ages 65 to 97 years.

Respectfully submitted,

J. W. Riggan, Assoc. Rep.

Adopted.

Mr. J. M. Hayes, Superintendent of North Carolina Baptist Homes for the Aging, was called upon to say a few words about the homes.

Mr. George L. Colgin, Chaplain form the North Carolina Baptist Hospital, made a talk about that institution.

NORTH CAROLINA BAPTIST HOSPITAL
1957 REPORT

Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

Once more it has set a new record in its ministry to sick people. Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinics and

60,000 visits to the private clinics. Service patients came from 92 of the 100 counties of our State. This represents specialized medical care in twenty-five different fields of medicine and surgery. It represents the services of skilled medical specialists and special equipment in each of these fields. It represents a medical staff and equipment which, because of the many skills and the large investment involved, cannot be provided except in such a medical center. It provides medical service of the highest order for our people in North Carolina, whatever their financial circumstances may be.

The new Cobalt machine is in full operation, providing treatment for about 35 cancer patients each day. Our very fine plastic surgeon is doing highly skilled work, and our heart surgeon has performed successfully some of the newest and most difficult heart operations known. These services are typical of those offered by our Baptist Hospital.

If a person wishes to go to the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. When an appointment is requested, accurate information must be given as to the general nature of the patient's problem and whether he needs to go through the out-patient clinic, rather than as a private or full-pay patient. The out-patient department is open to persons who are not able to pay the full cost of their medical care. In cases of emergency, or the need for immediate hospitalization, a local physician should always call or write the hospital in order that he may give the medical information required before the proper arrangements can be made. If a person will not be able to pay his full hospital bill when he leaves the hospital, definite financial arrangements should be made when he is admitted to the hospital and not left until later. This can prevent misunderstanding and unnecessary hardship.

It appears now that our churches of the State have made their largest Mother's Day offering this year. We are grateful for this because the needs for help have been greater than they have ever been before. Let us share in the ministry of our Baptist Hospital by giving generously of our prayers, our love, and our money.

The group then joined in unison to sing"He Leadeth Me".

Ralph Cole representing the Baptist State Convention spoke on "State Missions".

STATE MISSIONS

SCRIPTURE: *Romans 3:23, Romans 6:23, Acts 1:8*—

We are hearing more and more these days about the world

mission of the church. This is the proper terminology; for our breakdown of state, home, and foreign missions serves only for admisitrative purpose as we seek to extend from the local church to the ends of the earth one major mission the proclamation of the gospel of Jesus Christ. Of course, that gospel is universal in its scope and world-wide in its application; this has been so since the beginning. Jesus traveled perhaps not more than 300 miles from his place of birth, and yet he envisioned the entire world within his Kingdom Enterprise. Perhaps history's most audacious moment was that moment on a little green hill outside Jerusalem when Jesus commanded just a handful of people to conquer the world for him. Paul takes up this refrain of universalism in his epistle to the Romans. The key of the epistle is totality. All have sinned; all will be judged; all can be made alive in Christ; all can be saved through faith. The gospel has the same value for every man -- the Jew, the Gentile, the Greek, the barbarian. However, it is necessary that there be a place of beginning, a home base for the operation of the outreach of the gospel. As Archimedes said: "I can move the earth if you can find me a place to set my fulcrum." So can we say that we can move the earth, but we must have the place to base our fulcrum. That place is the local church. The extension of the perimeter of mission activity in the home and foreign fields is based upon the missionary zeal and vision of each local church. It is a part of wisdom, therefore, to do everything possible to strengthen the local church in its work. This is peculiarly the work of State Missions.

Let us continue to support the Cooperative program and to pray for those who are seeking through these 22 phases of work to advance the Kingdom of God within our state in order that as we drive the stakes deeper the cords may be lengthened in mission activity around the world.

Joe Savage expressed appreciation to the Louisburg, Maple Springs and Hickory Rock Churches for their fine hospitality.

After the hymn, "Have Thine Own Way" Gross Robinson, Pastor of Union Hope, pronounced the benediction.

THURSDAY MORNING SESSION

OCTOBER 24, 1957

LITTLETON BAPTIST CHURCH

The second day's meeting was held at the Littleton Baptist Church with Bobbitt's Chapel, Bethlehem, Enterprise and Vaughan assisting with the entertainment.

The Moderator, Joe Savage, called the meeting to order.

Pastor W. W. Neal of Sandy Creek led the singing and Mrs. E. L. Crawley was organist.

Pastor Jarvis Teague of Littleton and Enterprise led the devotions.

He made these remarks after reading Isaiah 6:1-8: "In this scripture there is a three-fold vision - 1. Vision of God. 2. Vision of Church. 3. Vision of self. Vision of the church—The local church is back of all our programs - local, state and national. This church is a good example of what the local church should be.

A. It was a church with an exalted God.
   1. God on his throne, high and lifted up.
   2. Jesus said "And I, if I be lifted up"

B. It was a church filled with train of God

C. It was a Holy Church.

D. It was a moving church - Angels moved, doors moved, posts moved, church members moved and sinners moved.

E. It was a convicting church.

F. It was a church with fire on the altar.

G. It was a purged church.

H. It was a missionary church. Here Am I, send Me."

Dr. W. W. Leathers, Henderson First Church, spoke on "The Ministers Retirement Plan". He stressed the necessity for our Pastors entering both Social Security and the Ministers Retirement Plan. Both are needed by the average minister, if he is to have a sufficient retirement income on which to live comfortably. He also encouraged the churches which are not at present under the retirement plan to come under and to encourage their Pastors to do this. He pointed out some of the details of the plan.

Raymond Britton gave the report on the Baptist Training Union.

BAPTIST TRAINING UNION REPORT

The Training Union work in the Tar River Association has been most commendable this past year. With 42 of the 62 churches in the Association having Training Unions. There was one Training Union organized during the past year. Bobbitt's Chapel. I am happy to report that there has been much progress in all phases of the Training Union work. This means that the leaders and the workers of the entire Training Union Program have worked hard in their efforts to have better trained workers in the local church.

There were two "M" nights held in December. The first night was held at Sandy Creek, December 10th. The Reverend Robert Standley, missionary from North Brazil, was the speaker. On the second night, December 11th., the northern group gathered at the Second Baptist Church, Henderson. Dr. Elmo Scoggins of the Southeastern Seminary was the speaker. He was formely a missionary to the Jordan. The attendance banner was won by the Second Baptist Church of Henderson. This was based on the percentage of the total enrollment present.

We have record of four district training schools held in the Tar River Association last year. Group I was held in Littleton, February 25-28 with an average attendance of 100 per night. The average attendance in this school on percentage basis was the best of all schools held. That means of course of the total membership. Group III was held in Norlina, March 25-28 with an average attendance of 62 per night. Group IV was held in Mt. Zion, March 18-21 with an average attendance of 133. This includes Duke Memorial and Maple Springs joint school held previous to the group school in Mt. Zion. The actual value of these training schools can be further stressed by saying we had wonderful fellowship among the churches. Group VI was held at Pilot, March 18-21 with average attendance of 148. This was the best attendance ever in Tar River.

There were 874 Training Union Awards given from October 1st., 1956 through the month of May, 1957. We are almost confident that this is a record for the Tar River Association in the same length of time. This does not include awards for the Sunday School Study Courses.

To complete this report the Reverend Cline Borders gives the following information concering the Elimination Contest he had charge of last Spring. Contest was held in Pine Ridge, April 8, 1957. The following won in the contest and represented the Tar River Association at Dunn, April 26, at the Regional Convention. Bible Reading . . . . Mrs. Roberta Tunnell; Intermediate Sword Drill . . . . Linda Edwards; Better Speakers . . . . Janice Lamb. All these were from the Ephesus Church. There is very little interest in this phase of our Training Union work.

Six years ago we had 12 Unions. Today we have 42. May we continue until all the 62 churches in the Tar River Association have Training Unions. The truth as we have it in His Word is a constant challenge to us, to implant it in our own and the hearts of others in our Training Union work. "Study to shew thyself approved unto God, a workman that needeth not to be

ashamed, rightly dividing the word of truth."

Respectfully submitted,
Raymond Britton

The new pastors who were not recognized at the first session were introduced. They were: J. Parker McLendon, Duke Memorial, Maple Springs; Gattis Perry, Mountain Grove, Red Bud; H. Ellis Lanier, Hickory Rock; Jack Hames, Harris Chapel; Hayne Rivers, Perry's Chapel; W. T. Bruce, Warren Plains, Macon. A visitor, H. V. Scarborough, of Raleigh was recognized.

The Littleton High School Glee Club rendered a beautiful selection under the direction of Mrs. Maxine Fulghum and accompanied by Mrs. E. L. Crawley at the organ.

Mr. Ben Ussery, Pastor of Boykins Baptist Church, Boykins, Virginia, was introduced by Aubrey S. Tomlinson. He spoke on "Temperance and Morals". Mr. Ussery pointed out the fact that alcohol, greed, gambling, movies, television and compromise with sin are some of the things which are de-moralizing to our people. The homes, schools and churches can strike a blow against the evil forces in our land today. After hearing this great message, the congregation stood and sang "Rise Up, O Men of God."

The Clerk announced that there were 229 messengers, alternates and visitors present for this session.

After the Perry's Chapel Baptist Church was received into the Association, the right hand of fellowship was extended.

The W. H. N. C. Radio Bill for the Baptist Hour Program was presented. There was a discussion which brought out the fact that so many of our people in this associational area cannot get the Henderson Station on their radios. It was decided not to continue to support a fund for the Baptist Hour Program.

Aubrey S. Tomlinson read the Brotherhood Report in the absence of Willis Nash.

BROTHERHOOD REPORT

The Brotherhood held its first Association meeting of the year with the Sulphur Springs Church, November 25, 1956. The program was led by Willis Nash and Rev. V. E. Duncan.

The second meeting of the year was held with the Norlina Church, February 24, 1957. The Norlina Brotherhood was in charge of entire meeting.

The Association has 11 active Brotherhoods.

Respectively submitted,
Willis Nash

Adopted.

Horace Easom, State Brotherhood Secretary, spoke to the report. The following is his address in part:

What about this Men's Movement? A Brotherhood in a local Baptist Church is a group of men, preferably all of the men in a Baptist Church seventeen years old and above banded together for the purpose of promoting the Kingdom of Christ through the Church and Denomination. You will note that I use the word, "promote". There is a vast difference between promoting Christ's Kingdom and supporting it. We have 3,268 Baptist Churches in North Carolina with approximately 835,000 Baptists. In these Churches are 220,000 laymen. A hundred and twenty thousand of these laymen barely support the Kingdom of Christ. The Brotherhood seeks to enlist this lost manpower for Christ.

After the congregation sang "Holy, Holy, Holy", E. S. Morgan, Pastor of First Baptist Church, Piedmont South Carolina spoke on "World Missoins". "A forward Movement" was the outstanding thought in his talk. His text was Deuteronomy 6:23 —"And he brought us out from thence, that he might bring us in" — These were words of moses to the dissatisfied people in their pilgrimage from bondage to the land of Cannan. There were three classes of people. There were those who wanted to go back; there were those who wanted to stand still; there were those who wanted to go forward. There are three classes of people in the Tar River Association. Our Lord said to his "Why criest thou unto me? Speak unto the children of Isarel that they may go forward".

At this time Jarvis Teague, Pastor of the host church, made some announcements concerning the noon meal. The morning session adjourned with the blessing by Pastor Jack Hames of Harris Chapel.

THURSDAY AFTERNOON SESSION

The group assembled for the afternoon meeting after a pleasant noon recess. The congregation joined voices to sing "Lead On Oh King Eternal" and then Mrs. Ann Savage, wife of the Moderator, led the devotions. She read Matthew 25:34 - 46 and brought these timely thoughts: "There are many hungry people in our world today, many who need clothing, many who are sick and shut-in, many strangers within our gates and many people in our jails and prisons, but more than these many physical needs there is the great need to fulfill the spiritual hungers. So let us go back to our churches and be a true witness for Jesus in trying to supply the needs of our people."

Frank E. Pinnell of the First Baptist Church of Henderson

conducted an impressive Memorial Service. Miss Keen, music director of the First Baptist of Henderson, sang a solo as a part of this service.

MEMORIAL SERVICE

When Victor Hugo approached the end of life's journey, he wrote these lines.

"When I go down to the grave I can say, like many others, "I have finished my day's work" But I cannot say, 'I have finished my life'. My day's work will begin again the next morning. The tomb is not a blind alley; it is a thoroughfare. It closes on the twilight, it opens on the dawn."

We find comfort in this poem of James Whitcomb Riley, with slight changes.

We can not say, and we will not say,
That they are dead -- they are just away.
With a cheery smile and a wave of the hand,
They wandered into an unknown land,
And left us dreaming, how very fair
Their needs must be, since they linger there.
And you -- O you, who so wildly yearn
For the old-time step and the glad return,
Think of them faring on, as dear
In the love of There as the love of Here.
Think of them as the same, We say;
They are not dead -- they are just away.

How reassuring it is to know that death cannot kill that which never dies, neither can it separate those who live and love in the same devine realm, for memory is one gift of God which death cannot destroy. We shall see our loved ones again.

These are the ones who have preceded us in their Home-going and whose memory we honor our dead today.

H. E. Hurst, missionary to the Honduras, spoke on "World Missions Crusade". He read I Corinthians 3:4-7. We quote briefly from his talk:

WOMAN'S MISSIONARY REPORT

If we are going to recruit new missionaries for our church, we must make our churches the recruitment centers. The most important one thing we can do for missions is pray, but let us pray that our own pastors and trained young people who have finished basic training will be called, after that our young people will be called. Now is the day we need re-enforcements. We must have help from the Army who have already met the requirements of appointment and missionary service.

As we face a golden opportunity in Southern Baptist life we must pray, give and commit - commit ourselves, our children, our choice members.

After the singing of "Jesus Shall Reign" the time had arrived for reports of the various committees and election of officers.

Worthy of special mention is first the Deacon's School, immediately after 1957 annual meeting. For three evenings with six of our state leaders directing 41 churches were represented with an average attendance each night of 68 per school.

During the week of February 24 - 28, according to state director, Jimmie Morgan, the Tar River had as successful a Training Union Enlargement week as had been held in the state. Of the 41 churches with Unions, 27 participated and 1 mission. The enrollment for the week was 1771. 53 new departments were set up with 177 new leaders. 1397 received awards. The Tar River led the state for the first nine months. Quite a few churches doubled their average attendance.

Our fifth annual RA-GA Camp at Merideth College, the first week in June, was the most successful of all, both in registered attendance and financially. With a total attendance of 328, and a balance of $172.00 we have reason to be proud of the support our churches have given to this, our dearest project. Whatever may be the future of the Tar River, we sincerely hope

that this most worthy effort shall be continued. The support some of our churches have given has been outstanding.

As of today we come to the end of eight and one-half years of service to the Association. The support given by the pastors and churches has enabled us to accomplish much in the name of our Lord. But for your cooperation and participation, the outstanding record would have been impossible. We have led the state in five different efforts. Cooperative efforts of our stronger churches, contributes to the growth, development and blessing of the weaker churches. Our stronger churches have asked very little of the Missionary, but they have given much. Many of our training efforts would have been impossible but for such help. Our churches must stand together or they will fall apart. That is why an active Association is so important. An active interest in and hearty support of an associational program on the part of the pastors and churches is a God-given privilege and opportunity to further the interests of the Kingdom of God. Finally "These things which ye have both learned and received, and heard, and seen, do. And the God of Peace shall be with you".

The Tar River Association has a history in its support of the Lord's work of which it has reason to be proud. It covers an area that is not as prosperous as most others, but local church expansion has gone on everything else to the contrary. As it faces at its coming annual meeting a most crucial decision the primary considerations should be whether greater progress can be achieved as it is or by forming two new associations. As dear as former associations in the work have been, sentiment should not overule opportunity for further growth. AN INTENSIVE PROGRAM OF INDIVIDUAL CHURCH DEVELOPMENT IS IMPOSSIBLE WITH ITS PRESENT AREA AS LARGE AS IT IS. With fewer churches, an ASSOCIATIONAL PROGRAM can reach more individual churches. With so many of our pastors so pressed for time as they complete their ministerial education, they need outside help in an adequate training program. We would all agree that this is the greatest need of so many of our churches. So many of them have no training program at all except what is offered on an associational level. The training and development of the individual christian is one of our great needs.

Our hearts desire and prayer to God for Israel is that she (The Tar River) might be led to greater achievements and loftier heights in our Father's world.

Faithfully yours,
V. E. Duncan.

Mr. Duncan was given a rising vote of thanks for his past services.

Lynwood Coffman, pastor of Bunn Church, made some announcements concerning lunch and then Dr. J. H. Blackmore of Spring Hope, returned thanks for the noon meal.

WEDNESDAY AFTERNOON SESSION

The host churches served a delicious lunch to the 395 people present after which the meeting reconvened.

Rev. Gattis Perry led the devotional after the congregation had been led in the singing of "Saviour like a Shepherd Lead Us", by Ellis Hollon.

Aubrey Tomlinson of Louisberg read the report on Christian Literature. It was adopted.

CHRISTIAN LITERATURE REPORT

Like the Bible, other forms of Christian Literature deal with human life under obedience to God, through Jesus Christ. In a measure every means of communication or expression may be included in the subject, "Christian Literature."

The work of Christians is to bring all mankind to knowledge of God in Jesus Christ. To show forth the Way of life which is in Jesus Christ. To testify to the joy and glory of full discipleship - that is to complete obedience and commitment to Jesus Christ.

To this end Christians of many names are producing excellent literature, worthwhile radio, television and moving picture presentations of the Bible itself and of Christian life generally in family, community and Church life. Programs inspiring to life of moral and spiritual righteousness, honor and integrity, to missionary zeal, to intellectual truth and opening the way to emotional stability and maturity are available. Christian materials, discussing from the Truth of God as Christians find that truth revealed, as relates to peace, to the necessary movement to Christian relations between neighbors of differing race, class or creed, to improvement of family and home life, to the Christian understanding of sex, and a Christian manner of expressing that understanding are in both denominational and commercial book stores. There is no need for the colossal ignorance of our people as relates to the Bible, our Church and denominational life, or of the facts relating to important areas of personal and community life.

Our Baptist denomination provides important books, periodicals, tracts, radio and television programs and other audio-visual aids such as moving pictures, film strips and slides. In our North Carolina Convention we have a State Baptist Journal set up to inform our people about the work of our denomination which has been done and which is to be done. In addition the Biblical Recorder provides articles of timely concern. We have the Baptist Children's Homes weekly paper, 'Charity and Children' which also helps in the important task of informing our people and acquainting us with the persons and happenings in the denominational and Christian world.

Also we have specialized periodicals such as 'Home Life' published by Southern Baptists, "Open Windows" quarterly daily devotional booklet, useful literature for children and people of every type and age, and, of course, the W. M. U., Brotherhood, Training Union and Sunday School literature. People who are awake to the crisis of the hour in which we live will find that the cheap, tawdry stuff of the entertainment world, has nothing to compare with the valuable and entertaining materials of Christian production. Surely Baptists are sufficiently Christian to prefer Christian to moronic, sadistic, and sex-mad non-christian expressions in this modern world.

Aubrey S. Tomlinson

L. D. Holt spoke to the report.

At this point Dr. C. C. Carpenter, Dean of Bowman Gray Baptist Hospital, Winston-Salem spoke on the Baptist Hospital. He gave a very interesting and informative address.

J. W. Riggan read the report on North Carolina Baptist Homes for Aging. The report was adopted.

HOME FOR AGING REPORT

The Homes for Aging are now in their eighth year of operation--Resthaven opened March 16, 1951; the Albemarle Home, December 7, 1953; and the Administration Building, Winston-Salem, June 13, 1957. The Homes can care for about 119 counting residents and helpers. The average number of residents cared for will exceed 100.

In June a campaign was launched to raise $100,000 to match a gift made by Mr. Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home for the Aging to be located at Hamilton, Martin County. It is hoped

that the campaign will be successfully completed this year, construction of the new Home will then begin. This Home will provide facilities for about forty residents, making the total capacity for all three Homes 150 persons.

The Homes have had a good year financially. The auditors' report for the year ending September 30, 1958, showed that the income was $268,924.58. When the new Administration Building was ready to be occupied $103,000 was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds from the Special Day Offering and the Cooperative Program have helped to meet the current cost of operation. The Homes have also received help from individual and corporation gifts.

A large number of the residents have been aided financially. Less than ten per cent of the residents have given to the Homes assets sufficient to pay their cost of keep for life. Only thirteen residents have paid the monthly rate, which is less than the actual cost to the Homes. Most of the residents are paying one-third to one-half of their cost of keep. The difference in cost is taken from funds received from the denomination and from special gifts of individuals and corporations.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. We think, first, of the ever-increasing number of aging friends needing larger dormitory facilities; and, secondly, of doubling the capacity of our infirmary in the Administration Building. It now accommodates fifteen patients, but we should have space for at least thirty. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

With gratitude to all who have made our present Homes possible--churches, individuals, and corporations--and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way, we look to the future with hope.

Respectfully submitted,
Joseph W. Riggan

Malcome Hutton read a report on Evangelism, which was adopted.

EVANGELISM REPORT

Evangelism is the heart of God's work on earth. It must ever be in the foreground of all our endeavors in the churches and in the association if we follow the New Testament pattern. Every Christian's greatest privilege and responsibility is to let Jesus Christ work in and through us to evangelize the world. This is the Great Commission and to carry out the Great Commission is to do the work of Evangelism.

What are we doing in response to this high call from God? Let us look briefly at the record.

All churches in the Baptist State Convention of North Carolina last year had a ratio of baptisms to membership of 1 to 25. This means that on an average last year it took 25 church members a whole year to win one person to Christ. This record isn't anything that it should be, but it does represent an increase in baptisms of 4% over the preceding year. Total baptisms reported in the state in 1956 were 32,468, and in 1957 they were 33,796.

In the Tar River Association last year the ratio of baptisms to membership was 1 to 34. Total baptisms reported in our association in 1957 were 499. This year the churches reported 466 baptisms. This represents a loss

of 33 under 1957. In 1950 we reported 569, a decrease of 103 in 8 years.

The number of people won to Christ and baptized into the fellowship of the churches gives only a partial picture of the work of evangelism in the churches. The remainder of the picture is seen in what happens to the converts after baptism. Here statistics are not so easily compiled, but the number who will be won to Christ and baptized in the future is dependent upon the maturing of those being baptized now. A Christian grows only as he participates in witnessing for Christ. Thus the program of evangelism in a church consists of winning people to Christ and keeping them enlisted in the total work of redemption.

Next year we face an unparalleled opportunity to lead all the people in the churches to engage in the total work of redemption by going all-the-way in cooperation in the continent-wide Simultaneous Evangelistic Crusade. This Crusade will be the biggest concerted effort ever made to win the North American continent to Christ and to experience new depths of dedication to Christ on the part of all church members. Seven major Baptist conventions in the United States and Canada are cooperating in this Crusade. These conventions are composed of 75,000 churches which have 19,000,000 members. Here is an opportunity like we have never faced before to get into the stream of God's redeeming purpose. Surely every church in this association will want to be a part of this great effort!

Elwood Laffman read a report on Christian Education, which was adopted.

CHRISTIAN EDUCATION

We are ever aware of the need for keeping our people informed about their colleges. Through the Biblical Recorder, Charity and Children, college publications, and the daily and weekly press reports, we attempt to tell what is happening in all of our colleges. In addition to these published statements, we provide preachers and speakers for church gatherings, associational meetings, college visitation days and numerous other ways of communication. Certainly our best friends of the colleges are those who know most about them. We hope that local churches whose young people are enrolled as students in our Baptist Colleges will invite these students to speak to their people. We urge pastors to keep in close touch with their students and encourage them as they face the many difficulties that arise in the work of every beginning college student. No student ever loses love for the home church which shows interest in him as a student. As Baptists they must have our support.

Beginning in 1957 Father's Day has been designated for our Christian Education Emphasis in North Carolina Baptist Colleges with a special offering for providing financial assistance for hundreds of fine students unable to attend college without such help. The Baptist Council on Christian Education expresses the hope that through increased Father's Day offering it will be possible for these colleges to maintain their high standards of training without increased costs to student. The cost of college education have doubled in recent years and will continue to rise; but Baptists must find some ways whereby these climbing costs can be met without becoming prohibitive for our fine citizens.

The example set by Happy Home Church in its observance of Christian Education Day is deserving of state-wide recognition. In response to the plan of designated giving to the college in its local area, this rural church of 119 members, led by its pastor, Rev. Robert Carter, sent to Campbell College checks amounting to $125, averaging more than one dollar per member. If all Baptist churches in North Carolina had done as well, more than $800,000 could have been divided among our seven colleges.

In thinking of Baptist people in general we would remind them that our five two-year Junior Colleges and our two four-year Senior Colleges are not only good colleges from an academic standpoint but they are Christian in purpose and motivation. We believe these colleges embody the "Seven Marks of a Christian College" as follows:

1. Christian Ownership
2. Christian Administration
3. A Christian Faculty
4. Christian Students
5. Christian Ideals
6. Christian Teachings
7. Christian Service

All of our colleges are fully accredited by the Southern Association of Colleges and Secondary Schools, and are members of recognized educational associations.

Edward Laffman

COMPOSITE MISSIONS REPORT

Believing that every local church is a visible agency of God's redemptive program for the world, Baptists have engaged historically in a cooperati missions enterprise designed to effectively carry out the great commission. This endeavor is organized on local, district, state, national, and international levels. It is in the active support of and participation in each level that the local church can faithfully fulfill its missions responsibility. This report deals with missions on the state, home, and foreign strata.

STATE MISSIONS: Of the 4,500,000 people in North Carolina, more than 2,000,000 are unchurched. Of our own Baptist constituency of 846,000, only about 40% are being taught and trained in Christian stewardship and service. State missions is the missionary effort on the part of North Caroli Baptists to reach the unsaved for Christ, to teach. enlist and train the saved in giving, living, and serving through the churches and throughout the world. What a challenge our own state presents for a cooperative effort, and our full participation in the varied ministries of state missions can make a difference!

HOME MISSIONS: In 41 states, Alaska, Cuba, and the Panama Canal Zone, the Home Mission Board is working through its 1,271 missionaries to bring America to Christ. The board is using its budget of 4 1/2 million dollars to minister to neglected groups within our convention area to whom the churches were not able to minister individually. 1957 was a year of advance. A net increase of 91 missionaries and six administrative workers has been realized. As we enter into the Baptist Jubilee Advance, 1959-1964, we are made aware of our stake in the spiritual life of America, and we pledge ourselves to using these five years in fruitful cooperative service.

FOREIGN MISSIONS: The field is the world. Through 1186 missionaries and 5,886 national personnel, we are ministering in 39 foreign countries in Latin America, the Orient, and Africa, Europe and the Near East. This personnel represents a net increase of 73 missionaries and 614 national during 1957. Our growth is indicative of an increasing awareness by Southern Baptists that our trusteeship is on a world scale. Young people are seeking God's will in a world context; Cooperative Program and Lottie Moon offering receipts are increasing; and our people are becoming better acquainted with world problems. These facts give hope that the best years for world missions are before us and that the world challenge will be met with an ever increasing effectiveness.

What is our share in this gigantic undertaking? (1) Each church can be in reality a missionary church. When mission study, mission praying, and mission giving become church wide, all of our people ---men as well as women and children --- will be concerned. (2) Each church can make missions central. Missions does not have to be "cracker crumb" left overs in a budget or special offerings or program planning. (3) Each church can be a missionary recruitment station. Realizing always that God is He who calls we can seek to prepare our youth through example, instruction and encouragement so that if God chooses them for mission work they will hear and obey. (4) Each church can harness its greatest potential, the power of intercessor prayer.

J. Parker McLendon

Mrs. Edna Francis Dawkins, Secretary Associate Personnel Department Foreign Mission Board, Richmond, Virginia, gave an address "Personnel Required to met the Mission Needs of the World."

At this time the Moderator requested all visitors to stand and state name, and where they lived.

J. Parker McLendon read the report on Baptist Training Union, which was adopted.

BAPTIST TRAINING UNION

It is deeply regretted that Rev. Cline Borders, associational BTU Director elected last year is not present to offer this report. His leadership is primarily responsible for what has been done this year in the Training Union.

In many ways this has been an outstanding year for Training Union work in our association. The following statistics will suggest the quality of work being done.

793 "M" Night attendance
40 Churches with Training Unions
3063 Total enrollment
1643 Average attendance
1572 Training awards

Four new Training Unions have been organized this year with a total enrollment of 272. These churches are to be congratulated for their forward step.

The picture is not altogether bright. Six of our churches which reported Training Union work in 1957 reported no such work this year.

The high light of the year was the Training Union Revival in February The following is a summary:

24 Churches participating
1312 Average attendance
1771 Total enrolled
988 Training awards
61 New departments organized
53 New Unions organized
177 New leaders enlisted

For the Training Union work in this critical period, these suggestions are offered:

1. That in setting up the associational organization for the two new groups a functioning Training Union organization be provided in cooperation with the state Training Union department.
2. That an "M" Night be planned and promoted December 1, in each association with participation from all of the churches.
3. That each church take seriously the task of training Christian leadership. Any church without provision for training workers is the loser in the long run. Plan now for the future of your church by effective training of leadership potential.

Ralph N. Culler of North Warrenton gave the report on Biblical Recorder which was adopted.

BIBLICAL RECORDER REPORT

The North Caroline Baptist State Convention was organized in 1830 having as one of its primary purposes the distribution of sound religious literature. Three years later in 1833 the BIBLICAL RECORDER was founded, and for over a century it has been going into the homes of our people as the journal of Baptist life in North Carolina.

It is a conviction among Baptists that we must read in order to understand the magnitude and the glory of Baptist growth. The BIBLICAL RECORDER is the one publication covering the entire field of our co-operative efforts, and without it a successful promotion of all our work would be almost impossible.

With these things in mind, I have come to the conclusion that the RECORDER ought to go into every Baptist home in North Carolina.

There are three RECORDER subscription plans:--EVERY FAMILY PLAN, $1.50 a year, payable annually, quarterly, or monthly in advance. The church puts the RECORDER in its budget or pays through any other desired plan, and the paper is mailed to all resident families. CLUB PLAN, $2.00 a year, payable in advance. The minimum number of only four subscriptions will start a Club. The church sends a complete list of subscribers at one time with $2.00 for each name for one full year. SINGLE or INDIVIDUAL subscriptions are $2.50 a year in advance.

Churches listed below have EVERY-FAMILY plan for RECORDER:

Bear Swamp - EF
Gardners - EF
Harris Chapel - EF
Kittrell - EF
Louisburg - EF
Henderson, First Ch. - EF modified, special list
Maple Springs - EF

A motion prevailed that the Moderator be empowered to appoint a committee of three persons to see that the financial deficit of the Association be met: that the committee be given power to act and that any surplus or deficit remaining be divided equally between the two "New Associations".

THURSDAY AFTERNOON SESSION

The group assembled for the afternoon meeting after a pleasant noon recess. The congregation joined voices to sing, "Love Divine," led by Ellis Hollon.

J. E. Roaker, Jr., conducted an impressive Memorial Service, which was adopted.

In Memoriam

"The Lord giveth, the Lord taketh away. Blessed by the name of the Lord."

As we properly pause to call to mind those who during the past year have gone from our earthly association, we realize that we can bring no word that is wholly new in this brief eulogy. Poets have given wings to words, scientists have probed the secret of the atom and broken the barriers of space and sound; philosophers have speculated through countless learned discourses since the dawn of history, and yet life and death remain the great unsolved enigma of the countless ages. The infinite plan cannot be contained in earthbound words, isolated in a test tube, nor examined under the microscope of human eyes. We have, however, the intelligibly simple and yet mystically profound statement of the Great Founder of our Christian faith: "On the road to my Father's house there are many inns. I have gone to prepare the lodging for you."

And so today our Christian faith leads us to accept the comforting thought that those whom we have loved long since and lost awhile walk the sun-lit fields of a better world.

The universe of which the earth is but a little part is an ordered universe. Through it all one increasing purpose runs under the quidance of God. The life that we know here is but a part of that unending life which always has been and which shall always be.

The two are not two but one -- one in purpose, one in their government, one in their all-embracing, and all pervading responsibility.

So we pause at this time to pay tribute to our beloved dead who have stepped from the stage of life and vanished from mortal view. They have passed through that open door called death through which we too must pass. Beyond it lies that fair and distant land where these loved one and others too will welcome us to our eternal home. There time with its days of strife and sorrow will be no more, only the peace and wisdom of our Lord and Saviour will prevail. There we shall behold Him in all his glory. There his banner will be the standard around which we shall gather eternally dedicated to his service.

Sometimes when the day is ended,
And its rounds of duty are done,
I watch from my western window
The gleam of the setting sun.
I gaze over the slopes of the mountains,

And down on the restless sea,
And I think of that Beautiful City
That lieth not far from me.

Some time, when life's day is ended,
And its rounds of duty are done,
I shall watch from life's western window
The gleam of life's setting sun.
I shall fall asleep in the twilight,
As I never have slept before
And dream of that Beautiful City --
Till I waken to dream no more.

ADVISORY PROGRAM COMMITTEE REPORT

October 22, 1958

The Advisory Program Committee held its regular meeting August 8, at Centerville Baptist Church and adopted the following recommendations.

1. That a Mission Emphasis Week be observed in each church the week of November 17 - 21. The plans suggest four nights of Graded Mission Study and on Friday night, a mission rally held in each section of the association or associations.

2. The committee also recommends that the association cooperate with the Baptist Simultaneous Evangelistic Crusade March 22 - 29.

3. The committee further recommends that an Associational Music School be held in three sections of the Association during the week of January 19 - 23.

Respectfully submitted,

Jarvis Teague, Chrm.	Mrs. T. H. Dickens
Robert Freeland	Mrs. Martha B. White
Coy Still	T. Harold Steen

At this time John Link made some announcements concerning separate meeting places for the two divisions of the Association.

The Northern Division group was to remain in the Warrenton Baptist Church, while the Southern group was to meet in the Warrenton Methodist Church for formal organization into two separate and distinct Baptist Associations.

After singing "Blest Be The Tie", Hugh Borders of the Ephesus Church pronounced the benediction. The Association adjourned at 2:40 P. M. according to previous announcements and the two groups of messengers and pastors were formally organized into two separate associations. The Northern group or division chose for its name "W. R. Cullom Baptist Association", while the Southern group or division decided to retain the "old name" Tar River Baptist Association.

HISTORY OF DUKE MEMORIAL BAPTIST CHURCH

The Duke Memorial Baptist Church is located in the Justice Community of rural Franklin County, where it has enjoyed a prosperous life since its organization in 1924. The organized religious life of the community dates back to 1904, for the Duke Memorial Church is the outgrowth of two former churches, the Midway Baptist Church and the Justice Baptist Church.

Midway Baptist Church was the result of a Sunday School organized in the Bab Rock Schoolhouse. The inspiration to organize the church came through the Rev. George W. Coppedge. The membership, coming from the Peachtree and Maple Springs Churches, constructed a building about two miles east of the present building and organized the Midway Church in 1904. Following G. W. Coppedge, the church enjoyed the pastoral labors of J. W. Sledge, D. T. Bunn and J. H. Bunn.

About 1910 a Sunday School was organized to meet in the Lawrence Bowden Store in Justice. This school was later moved to the community schoolhouse, and in 1911, with the construction of the present Justice Elementary School, was located in that building. The Rev. George M. Duke led the people to establish a church. Hence, the Justice Baptist Church was organized in 1917

with twenty-five charter members. It continued throughout its existence to meet in the Justice School. Following the Rev. Duke's death in 1918, the Rev. J. H. Bunn became pastor, and he was followed by the Rev. B. E. Morris and Joseph E. Hocutt. The Rev. A. Corey came to the church in 1921 and served the community until 1935.

In 1922 under the leadership of the Rev. Corey, the people of the Midway and Justice Churches saw the advisability of uniting in a single church. Plans for a new building were drawn by the pastor. The people actively solicited funds; timber was cut; and the men of the community constructed the building on an acre of land donated by Mrs. Sarah Stallings. This frame building was finished and dedicated in March of 1924. The new church was appropriately named in memory of the beloved George M. Duke. It was received into the Tar River Association in 1924 and has participated in this body since that time.

The Rev. A. Corey continued his fruitful ministry in the church until 1935, after which the Rev. Lonnie B. Reavis was called to the church. At the same time he served five other churches of Franklin and Vance Counties.

The Rev. Earnest Y. Averett succeeded Mr. Reavis in 1936, having recently been graduated from the Crozier Theological Seminary of Philadelphia. While residing in Justice he served Cypress Chapel, Cedar Rock, and Peachtree Churches. He remained until 1939.

The pastorate of the Rev. Fon Scofield began in 1940, and he also served the Rolesville, Cypress Chapel, and Cedar Rock Churches.

In 1942 the Rev. Rex R. Campbell was called by the field of churches composed of Cedar Rock, Cypress Chapel, Peachtree, and Duke Memorial. It was under his four year pastorate that the church instituted the rotating system of deacons, began having regular church conferences, and remodeled the church.

The church's sixth pastor, the Rev. T. Harold Steen, accepted the field of churches consisting of Cedar Rock, Cypress Chapel and Duke Memorial in 1946, and continuted as pastor of Duke Memorial until 1956. In 1947 the church purchased a lovely brick parsonage one half mile south of the church and the pastor has lived on the field since that time. The next year a heating system was installed in the church. During the ministry of Mr. Steen the church membership grew to approximately four hundred, but during the last six years the decling community population has brought a decrease in the membership. It was also in these eventful years that the Woman's Missionary Union and the Training Union became active in the church.

Following the resignation of Mr. Steen in October, 1956, the Rev. J. Parker McLendon was called to be pastor of the Maple Springs and Duke Memorial Churches. The church has enjoyed a wonderful spirit of cooperation, and out of this has come the desire and plans for church development. In September, 1957, "A Five Year Development Program" was adopted. This program is comprehensive and far-reaching as it seeks to guide in the improvement of the church in spiritual life, organizations, and physical equipment.

During the year 1957-1958 a new educational unit was constructed as the first step in a long range building program. It was also during this year that the church was honored as second place winner in the Church Achievement Program of the Baptist State Convention of North Carolina.

"To God be the glory, great things He hath done."

Congregation sang "I Love To Tell The Story" after which Dr. J. H. Blackmore brought the closing inspirational address.

Meeting adjourned by singing, "Blest Be The Tie". Benediction by Rev. B. Beclrum.

Respectfully submitted, Joe Savage, Moderator,
M. T. Lamm, Clerk

PROCEEDINGS

Wednesday Morning Session
October 21, 1959

The messengers, alternates, pastors and visitors to the 129th Annual Meeting of the Tar River Baptist Association gathered at the Sandy Creek Baptist Church on October 21st, 1959 at 10:00 for the first days program.

Moderator, Joe Savage from Peachtree Baptist Church presided over the meeting. Clerk M. T. Lamm, of Holly Grove Baptist Church recorded the proceedings.

Rev. V. E. Duncan, served as chorister.

Joe Savage called the association to order and the congregation sang "O Worship the King" after which the devotional was given by Rev. Robert Freeland.

M. T. Lamm read minutes of last meeting which were approved.

Rev. G. E. McCormick host pastor gave short address of welcome. Then read the History of Sandy Creek Baptist Church which was adopted.

HISTORY OF SANDY CREEK CHURCH

It is a distinct pleasure to welcome you to this meeting of the historic Tar River Association. This association has a rich history, and this church is fortunate to have been the meeting place for some of the significant sessions. One hundred twenty-eight years ago, in 1831, the Tar River Association held its first session in the Sandy Creek Baptist Church. You might be interested in the fact that Bro. James Sutherland was the Moderator, Bro. Thomas Crocker the Clerk, and Bro. Philemon Bennett preached the annual sermon. The first collection this association gave for the work of the Baptist State Convention was received in 1846 at the annual meeting held in this church. In September 1861 the Executive Board of this association, meeting here at Sandy Creek, appointed its first Associational Missionaries. Two brethern were chosen to serve that year at a salary of $30 per month. (Incidentally, the association had been trying for seven years to initiate this work, but insufficient funds had blocked the endeavor.) Let us confidently hope that in this one hundred twenty-ninth session we will have the vision to take steps commensurate with the afore mentioned.

In 1774, the same year that the First Continential Congress met, the Sandy Creek congregation bought property for a building. The exact date of the

organization of the church is not known. We have the copy of Article of Faith and a Church Covenant which is dated January 29, 1771. The copy was certified in 1850 as being the orginal, but there is some question of the dates involved. However, from a deed to the Baptist Society of Sandy Creek dated November 8, 1774, we can be certain that the church was then a functioning body.

The building was located north of the present highway and east of the creek. The first statistical records I have been able to locate are the associational minutes for 1844 in which this church reported 106 white members, 16 black members--as they were then designated--and 3 baptisms. As early as 1872 there was an active Sunday School here with 130 scholars enrolled. I find an interesting note in the minutes of 1887. There a Sunday School was designated as Sandy Creek #2 with 90 members, but I could not determine whether that was a branch of this church or a completely new work. The annual pastor's salary in 1889 was $128, and a total of $1.00 was give to Home Missions.

The present building was constructed in 1896 and became the third or fourth meeting place for the church. That year, including the cost of building, the church spent $1,006.

During those years services were held on each third Sunday and the preceeding Saturday. The minutes for this period are spiced with notes of disciplinary action. Individuals were excluded for profanity, intoxication, and domestic difficulties. Committees were appointed to "wait upon" the erring members. An interesting note appears in 1898. "Brother_____ acknowledges using profanity under impulse of moment, asks forgiveness. We recommend (sic) his forgiveness."

Finally, in October 1954 the church called its first fulltime pastor and immediately constructed a pastorium. Since then the church has witnessed some significant gains. We are now accumulating a building fund and plan to construct an educational building as soon as possible.

Congregation sang, "Come We That Love The Lord" after which Harold Steen presented new pastors of the association.

The Credentials Committee approved the application for membership into the association of Franklinton Church, which was unanimously received into full fellowship. Also approved a similar application from the Flat Rock Church, which was also received into fellowship by unanimous vote of the association.

In the absence of W. O. Fuller, Jr., Treasurer, Aubrey Tomlinson read the Treasurer's Report, which was adopted.

Respectfully submitted, W. O. Fuller, Treasurer

Eugene Perry, auditor gave his report which was adopted.

AUDITOR'S REPORT

I have examined the records of Mr. W. O. Fuller, Jr., Treasurer, Tar River Baptist Association for the year ending September 30, 1959.

Based on such tests of the records as was considered necessary it is my opinion that the financial statement submitted to the association by the Treasurer, presents a true financial position of the association at September 30, 1959.

Respectfully submitted, Eugene Perry, Auditor

The Clerk called the roll of churches. Every church of the Association was represented.

J. Parker McLendon read report of the Committee to Investigate Securing an Associational Missionary for Tar River Baptist Association. The report was adopted.

REPORT OF THE COMMITTEE TO INVESTIGATE SECURING AN ASSOCIATIONAL MISSIONARY

It has been the responsibility of this committee to investigate and evaluate the various matters pertaining to the securing of an associational missionary for our association. We have been of the opinion that this responsibility involved the consideration of the program of work and the financial resources for such an undertaking. This report includes our findings, our conclusions, and our recommendations.

I. THE FINDINGS OF THE COMMITTEE

1. A survey of the annual reports of our churches over a period of five years indicates a definite need for continued internal development.
2. The thirty-six churches, from an average annual expenditure of $183,600.00, have contributed $2,767.00 annually to the association.
3. There is a general concensus of opinion favoring a program of associational missions under the direction of an associational missionary.
4. In response to the letter from this committee, twenty-one churches have pledged $3,060.00 toward the associational budget for the coming year, provided a missionary is secured. Assuming that the other fifteen churches will continue to give as they have for the last five years, we may reasonably expect a total of $4,204.00 for the associational budget.
5. Financial assistance for supporting a missionary is offered by the Baptist State Convention. We may reasonably expect from $800.00 to $1,200.00 per year. This money is provided upon application by the association and approval by the general board. In no case will it be available for a part-time missionary.

II. THE CONCLUSIONS OF THE COMMITTEE

1. The committee believes that a program of associational work under the direction of a missionary will provide an effective means for the continued internal development of our churches.
2. The association should establish as its goal the securing of a full-time associational missionary.
3. Such a program of work should not be undertaken with a total budget of less than $6,500.00.
4. The churches are not prepared at the present time to assume the financial responsibility for a program employing a full-time missionary.
5. The churches should be encouraged to increase each year by at

least one per cent of their total expenditures their gifts to the association until they are giving the amount proposed in the letter sent out by this committee.

III. RECOMMENDATIONS OF THE COMMITTEE

1. That Article VIII, Section 7, of the proposed Constitution be amended to read as follows: "It shall be the duty of the Associational Missionary to respond, within the limits of his time and ability, to the invitation of the churches for assistance in their congregational needs; to assist in the formation of fields with resident pastors; to encourage the co-operation of all the churches in the undertakings of the association; to promote missionary interest among the churches; and to enlist the churches in the support of those causes fostered by the Baptist State Convention and the Southern Baptist Convention."

2. That the following section be substituted for Article X, Section F, of the proposed Constitution: "Missions Committee composed of the Moderator, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President, Brotherhood President, Music Director, and three (3) members at large, whose duty will be to work under the supervision of the Executive Committee to assist the Associational Missionary in planning, promoting, and executing the program of associational missions."

Respectfully submitted, Gaither M. Beam, Gilbert W. McDowell, J. Parker McLendon, Chairman

Upon motion by J. Parker McLendon, the association voted to empower its Executive Committee, to employ an Associational Missionary at such time as in its best judgement the churches are ready and willing to support a budget sufficient to cover expenses of such an undertaking.

Talmage Edwards gave an oral report of the finance committee.

At this time congregation stood and sang, "Zion Stands With Hills Surrounded". Rev. Merideth Henderson read scripture and led in prayer.

Sandy Creek Church choir renderred some special music. This seemed to have been enjoyed by entire congregation.

At this point Rev. Parker McLendon preached the annual associational sermon. Titled: "The Church As A Redempted Insight". Mr. McLendon handled his subject well.

G. E. McCormick, host pastor made some announcements concerning lunch and then Dwight W. Cooper, returned thanks for the noon meal.

WEDNESDAY AFTERNOON SESSION

The hosts churches served a delicious lunch to some 365 people present after which the meeting reconvened.

Rev. Forest Teague led the devotional after the congregation had been led in singing, "Come Thou Almighty King".

Wallace Bryant of Samaria Church gave an oral report on Sunday Schools.

Mrs. H. M. Dickens read the Woman's Missionary Union Report. This report was adopted and appears among the statistical tables in back of this minute book.

W. J. Edwards read the report on Vacation Bible School. The report was adopted.

VACATION BIBLE SCHOOL

The Vacation Bible School Clinic of the Tar River Association met with the Peachtree Church on April 11, 1959. Ninety-nine persons from twenty-three of our churches were present.

Twenty-five of our churches reported Vacation Bible Schools this year with a total enrolment of one thousand nine hundred eighty six (1,986). The total cost of operating these schools was $1,433.01 which is about $.15 per day

per student. The mission offering totaled $320.85 which was sent to the Co-operative Program, with the exception of two churches. There were twelve professions of faith and sixty-seven dedications.

Vacation Bible School presents a challenge to each of us to be at our very best for God. The true results of Bible School are not indicated in the figures above, but will be seen in the years ahead as seed planted in hearts spring forth to fruition. God, only, knows the treasure hidden behind doors that are opened by Vacation Bible School.

Respectfully submitted, W. J. Edwards, Assoc. Supt.,
Vacation Bible School

Congregation stood and sang, "All Hail the Power of Jesus Name".

Mr. P. J. Cash read short report on Baptist Hospital. The report was adopted.

BAPTIST HOSPITAL

I had an invitation to go to our Baptist hospital in February. We toured the hospital and saw the Robot Machine and other valuable machines that was doing marvelous work. And we saw the poor people that needed our help. And without our help they can not get the help they need so badly. So I wrote to all of the churches in the association and asked them to give more freely this year. When they took up their Mother day offering.

Our total for the year was $1,221.34, but there were 5 more churches that had not been reported in when this figure was given in. And the 5 new churches that joined our association was not put on this list at that time.

Respectfully submitted, Mrs. P. J. Cash

Mr. Albert Meiburg spoke on the Baptist Hospital.

At this time O. B. Moss, chairman of the Constitution Committee, stated he was ready to present for consideration of the association a new Constitution and By-Laws. This he did an article at a time, which was adopted or amended by the association before another article was read. This procedure lasted until time for adjournment.

A motion prevailed to take a final vote on Constitution and By-Laws as read and amended on Thursday morning, October 22, 1959.

Rev. G. L. Foushee led the closing prayer.

Adjourned for day.

THURSDAY MORNING SESSION

October 22, 1959

The second day was held with the Peachtree Baptist Church.

Moderator, Joe Savage, called the meeting to order. The congregation sang, "All Hail the Power of Jesus Name", after which the devotional was given by Rev. Dwight Cooper.

Charles Wellons, host pastor gave address of welcome. He then read a History of Peachtree Baptist Church. This History report was adopted.

HISTORY OF PEACHTREE BAPTIST CHURCH

"The Prayers of 1809"

On Saturday before the first Sunday in February, 1809, a group of Christians met in what was then called Moses Meeting House and organized the "Baptist Church of Christ at Peachtree". As those Christians began a new church, their spirit was portrayed by Brother Thomas Floyd, first clerk, who wrote, "Their hearts and voices were lifted in prayer to God with ours."

Peachtree Baptist Church was thus born 150 years ago by a small group of Christians who realized their total dependence in God and thus expressed it in prayer. Those early prayers have been answered by 150 years of glorious history.

From the time the Church elected Brother Phillimon Bennett as its first "Instructor in the Lord", the center of Peachtree's ministry has been the ministry of preaching. When that first pastor was called by the people, he was called to impart to the members the "sincere milk of the Word". In 150 years, more than twenty-five pastors have tried to carry on that ministry.

Moses Meeting House was located about 3/4 of a mile northeast of the present church location. In 1815, the people moved to the present location where the church has been located ever since. The building in which the Church today worships is the fourth to be built on the same location. Early in the church's history when there was no building available, services were held under a bush arbor.

During the early years of the church's life, slavery was an accepted institution of the South. In 1860, there were 60 slaves who were members of the church. After the Civil War, many of these "people of color" remained with their masters and their membership in the church continued. It is significant that during those early years, when one desired to unite with the church, he came before the Church and personally related his experience of salvation and the Church received him on the grounds of his testimony.

The early church placed great emphasis upon fellowship. Before the Church conducted business in business meeting, the moderator asked, "Are we together?" If some of the members were at odds with one another on some matter, the Church waited while those members removed themselves from the meeting and on the outside, settled their differences. When all were together again, then the Church transacted matters of business. (It is wondered by some today what methods of persuasion were sometimes use on the outside to settle differences.) If the matter was of such serious nature that it could not be settled immediately, the Church acted as a court and decided the issue as it sought to maintain its fellowship. Often a member would not abide by the decision of the Church. He then was dismissed from the membership. Great emphasis was also placed on morality in the lives of the members. Dozens of persons were "excommunicated" because of immorality. By 1865, the term "excommunicate" had dropped out of the vocabulary of the church and was replaced by the term "Withdraw fellowship from".

The actual number of men given to the ministry by the church is not known. There have been at least four. In May of 1809, the Church set aside Brother James Sollemon to "communicate his gifts in public". The Church gave to the Tar River Association its first moderator and clerk. Since that time, the Church has given its best leadership to associational work.

Many of the present members of the church can remember an event that took place in the history of Peachtree Church that illustrates the love of the people for their church.

In 1919, the members wanted to put new flooring and new pews in their church. In February of that year, a "begging committee" was appointed to raise money for this purpose. Four of the present-day members of the Church were members of that committee. The money was raised and the improvements made. On December 31 of that same year, the building was destroyed by fire. Three days later, the members voted to rebuild. Eleven months later, the new building was dedicated.

For 129 years, the church was a "part time" church. In 1948 was the first "full time" year in the history of the church. A parsonage had been constructed two years earlier, and the church had its first pastor living on the field. The prayers of 1809 were still being answered.

On June 17, 1951, the members of Peachtree voted to undertake the greatest challenge ever undertaken by the church: the construction of a new and modern building valued at $50,000. In March of 1952, the foundation for this

new building was laid. The next five years saw the people work and give so that on October 6, 1957, the completed building was used for the first time.

It is hoped that within the next two years, this new evidence of God's continued blessing will be dedicated to His glorious Name.

As He has blessed in the past 150 years, so He continues to bless today, and His blessings are even yet unlimited through the prayers of 1809.

At this point the Constitution and By-Laws Committee made final report and a new Constitution and By-Laws was adopted as printed elsewhere in this minute book.

A rising vote of appreciation was give to the Constitution and By-Laws Committee.

The report on Christian Education was read by Harold Steen. The report was adopted.

REPORT ON CHRISTIAN EDUCATION

It should be noted that progress in our North Carolina Baptist program of higher education has not been in the number of institutions, but in the changes made within the seven institutions which have been in operation for more than a half century. Fortunately, the geographical distribution of these colleges throughout our state makes one of them fairly close to all our Baptist young people. Time does not permit us to review the growth of each of these seven colleges, but we would remind you that as a group they now constitute a program of higher education second only to Texas among all the states in our Southern Baptist Convention territory. In these seven colleges are enrolled each year nearly 8,000 students, or more than one-eighth of all college students in North Carolina. The annual operating budgets total more than $10,000,000, of which our Baptist people, through church offerings, provide approximately five per cent. Students, through tuition and fees, pay approximately 60 per cent and the remaining 35 per cent comes from endowment and gifts. If it were possible for the colleges to apply the total of approximately $1,000,000 given through our churches to their operating costs, the present five per cent would become 10 per cent of the operating costs. It is hoped that this will be possible in the near future through some long-range Convention plan for meeting the capital needs of all institutions and agencies, thereby leaving income from Cooperative Program and special offerings for current operating needs.

Perhaps the most significant development in the work of our colleges in this present year is the action of our Baptist people in adopting the report of the Convention Committee of 25 as it relates not only to the colleges but to all other Baptist institutions and agencies. We would urge all our people to read this report carefully as it relates to these colleges. It does not recommend the addition of any new college at present, but it emphasizes the necessity for our recognizing the increasing demands upon these colleges which can be met only through growth in all respects. The Committee recommends that consideration be given to the possibility of changing the status of some of the two-year colleges to four-year colleges, and already progress is being made in this respect.

These Baptist Colleges will continue to be faced with the competition of all other colleges in both the quality of their work and the growing costs of operation and expansion. Our college young people must be convinced that academically they are as good as the best, and that these Baptist colleges also provide for them what present-day expect and demand in a college community. As Baptist church leaders and parents of these young people, we want our colleges to be Christian and to present a positive Christian witness at all times and in all respects; but we cannot stop here and expect to attract our young people. Such matters as costs, scholarships, athletics, etc. will be determining factors.

As Baptists, we must love our colleges to the point of understanding them and their importance in all departments of our work. If we love them and believe in them, we shall see that they are given sufficient money to become the kind of colleges that will attract our young people. We can't force young people to go unless they want to go. We must join hands with administration and faculty to make these colleges so attractive that they will be selected by our young people. As a denomination, our future will depend largely on the type of leadership we educate in our colleges.

For the third year our Christian Education emphasis was observed on Father's Day, Sunday, June 21. The response this year has been most encouraging, both in the wide use of the various promotion materials prepared and in the offerings made on Father's Day. It is our hope that the observance of this annual emphasis will result in a better understanding of these colleges and their importance in our work, as well as added financial aid sufficient to meet the ever increasing costs of operating these colleges. Every possible effort must be made to keep the charges to students as low as possible. Many of our finest Baptist young people are among our lower income families and find it difficult to meet the costs of a college education.

With all the progress we have made in enlarging the facilities of these seven colleges, we are providing for only one of every four Baptist youth going to college; and it is doubtful that we shall be able to maintain this ratio with the coming tidal wave of college students, nearly one-half of whom will be our Baptist young people.

It is the earnest desire of our North Carolina Baptist Council on Christian Education that we be alert in all our Baptist Churches to recognize and to direct promising young people into one of these Baptist colleges.

As pastors, parents, and church leaders, we should face these facts courageously and led our people in meeting this great but not impossible challenge.

Respectfully submitted, Harold Steen

Bruce E. Whitaker, President of Chowan College spoke on the above report.

A. S. Tomlinson gave an oral report on Christian Literature.

Mr. Castner also spoke on Christian Literature and on behalf of our Baptist Paper, the Biblical Recorder.

L. S. Gay read the report on Home for the Aging. The report was adopted.

REPORT ON HOME FOR THE AGING

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matthew 25:40).

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the Homes - Resthaven, Albemarle, and Headquarters have had a good year, and have been filled to capacity - 119, counting residents and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be filled.

Since the average age of a resident is about 80 years, there were several deaths during the year. Among the deceased was the oldest resident, "Uncle" John T. Holt, formerly of Wilsons Mills, N. C. He dies July 13, being 99 years of age. Had he lived until February 26, 1960, he would have been ONE HUNDRED YEARS of age. He was a resident of the Homes nearly eight years, and for the past two years was a patient in the infirmary of the Homes. He was a great soul, and will be keenly missed.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, yet there is good reason to believe that the money will be secured this year and construction will begin. Mr. Don G. Matthews, of Hamilton, has given the land for the site, and most of the $50,000 which he promised. He is ready to give the

balance when the extra $100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

The construction of the Infirmary Annex, which will give 28 additional bedrooms and some utility rooms, is getting underway. The contractor, R. K. Stewart & Son, of High Point, has been selected. Order for structural steel has been placed, and the work should progress as rapidly as possible. The estimated cost of the Infirmary Annex is $193,035.

The two most pressing needs of the Homes for Aging now are (1) to finish raising the funds to start construction of the Hamilton Home, and (2) to raise about $150,000 to cover the balance needed to pay for the additional facilities in the infirmary expansion. When these two projects are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the Homes to 170 residents.

Would you like to have a generous part in making these plans become a reality at the earliest possible date? If so, please let us hear from you. Why not furnish, or endow, or construct a room with your gift? Six-hundred dollars will furnish, $1,000 will endow, and $4,000 will construct a room. If you are not able to do as much, send the amount you can give to the N. C. Baptist Homes for Aging, Winston-Salem.

A Special Day Offering of $175,000 in February, 1960, will help to meet infirmary cost, and continue to give financial help to residents who need aid.

All connected with the N. C. Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to offer our aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry.

Respectfully submitted, L. S. Gay

Charles Burchett spoke to the above report.

In the absence of J. O. Bowden, Parker McLendon read the report on Baptist Children's Home. The report was adopted.

REPORT ON BAPTIST CHILDREN'S HOMES

North Carolina Baptists have a great interest in their Children's Homes. Awakened interest in our Child Care program on the part of individuals, churches, and the Baptist State Convention has been encouraging. Our program, which is one of the best in the nation, is under the guidance of a competent administration and staff. It is their purpose to continue the best care possible for dependent children.

More than 1,000 boys and girls were served by the homes during the past year. Mills Home, Kennedy Home, and Odum Home provided care for 547 children. while 197 lived in Foster Homes. Financial assistance was given to 40 children through the Mother's Aid program, and 30 college students were helped. Resourceful case workers assisted 214 additional children to find homes with relatives and social service agencies.

The Baptist State Convention, after a study of two and one half years, adopted in May significant recommendations which will increase the foster home care, develop new types of programs for child aid, and give increased attention to the work of mature case work consultants throughout the state to help avoid family breakdowns.

The convention has voted to bring the Children's homes into the Cooperative program on the same basis with other institutions and objects. Churches may continue to send once-a-month offerings and special gifts. These gifts will be administered by the state convention in the same manner as designated gifts to other institutions. The Children's Homes are encouraged by this improved financial relationship with the convention. For lack of sufficient income the homes operated on a deficit of $22,000 in 1958. The 1959 deficit will be approximately $65,000. The only way the homes have of meeting this deficit this year is through a substantial increase in the Thanksgiving Offering.

Your prayers and your loyal and generous support will enable the Children's Homes to meet the demands of an expanding ministry.

Respectfully submitted, J. O. Bowden

W. A. Smith, Superintendent of Kennedy Home spoke to the report.
R. L. Caffman read report on Evangelism. This report was adopted.

REPORT ON EVANGELISM

Jesus' command to us is, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world." (Matt.28:19-20.) Here Jesus summed up God's purpose in the world and the objective toward which God's people must ever move in full dedication if they are to be in His will.

The purpose of God in which He uses His people (and the only purpose in which He uses them) is the evangelization of the world. Evangelization means "making disciples", "baptizing them", and "teaching them" to be obedient to Christ in "all things" He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and mature them. This is God's purpose and plan for His people in the world.

In the Great Commission Jesus said, "Go," "teach" with the purpose of making disciples, "baptize" and "teach" them to be obedient to Christ in all things. The only imperative in all these mighty words of action is "to make disciples" or to teach with the purpose of making disciples. Thus Jesus puts soul-winning first in His total program with a definite command.

In every church or associational program, soul-winning must be in the forefront of its total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient to Christ, and therefore cannot expect His empowering and blessing upon the efforts put forth.

During the years 1959-1964, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting soul-winning in the foreground of their respective programs. In 1959 it appears that progress has been made in this direction.

In the Tar River Baptist Association additions to the churches for the year were: baptisms - 221; other additions 149; total additions - 370. This is an increase over 1958 of 48 in baptisms and 79 in total additions.

The ratio of baptisms to church members is 1:22 for Southern Baptists and 1:25 for North Carolina Baptists. Our association's ratio for this year is 1:43 using all members as a basis; 1:32 using resident members only as a basis.

The goal of Southern Baptists in ratio of baptisms to church members is 1:8. This constitutes our greatest challenge. Only as we get soul-winning in the forefront of our total program can we become obedient servants of Christ.

Respectfully submitted, R. L. Caffman

At this point congregation stood and sang together hymn, "Love Divine".
V. E. Duncan gave report on Missions. Adopted.

MISSIONS FIGURES (COMPARATIVE STUDY)

V. E. Duncan

The following figures were presented by Rev. V. E. Duncan, showing the gifts to Missions, comparing the past associational year 1958-1959 with

1957-1958.

State Missions		All Missions & Cop. Program		Churches giving to State Missions	
1958	$1,314.00	1958	$29,752	1958	10
1959	857.00	1959	35,719	1959	11
Decrease	459.00	Increase	5,952		1

These figures indicate an increase in contributions to the Cooperative Program but also a dicided decrease in support of State Missions, as separate object. Since State Missions gets only a percentage of the total dollar to the Cooperative Program, the result leaves our State Mission Board without adequate funds with which to meet the urgent calls and demands of so many needy situations. The special offering to State Missions is of vital importance to supplement the inadequate amount received from the Cooperative Program. From the above figures it is seen that only 11 of the churches in the Tar River took a special offering for State Missions. We urgently recommend that more of our churches respond to the special offering for State Missions in the coming year.

Respectfully submitted, V. E. Duncan

Peachtree Church Choir gave two special selections. Rev. Grady Faulk read scripture and led in prayer. After which Rev. Gattis Perry brought the annual associational sermon a real inspiring message for our day.

Charles Wellons, host pastor made announcements about lunch and E. W. Greene returned thanks for the noonday meal.

THURSDAY AFTERNOON SESSION

The group assembled for the afternoon meeting after a pleasant noon recess. The congregation joined voices to sing, "Amazing Grace". Rev. James Cyrus led devotionals.

M. V. Parrish conducted the memorial service which was adopted.

MEMORIAL

This A. M. in my Latin Class we had this sentence:

Memoria clarorum nostrorum virorum sacra est -- The memory of our famous men is sacred. And so it is fitting that we are here today to turn our thoughts to those who shared so many experiences with us in years past. A few years ago it was my privilege to visit Washington's homeplace at Mt. Vernon. As I was standing near Washington's tomb, a group of young men approached in gaiety and frivolous talk. Immediately a stately Negro man, a veteran guardsman, came from his post and said, "Young men, you are approaching General Washington's tomb, this is a sacred place, and you must show your respect."

Today I feel we must show our respect for those who have gone to their reward in recent months and past years. Memorials have a definite place in a service of this kind. We hold in memory the lives, the experiences and associations of those whom we loved so much.

In Roman history we read that if proper tomb stones were not placed at the graves, the deceased would be driven thru many lands and forced to engage in drudgery and toil for many years. We do not believe in this superstition, but lest we lose faith and forget our loved ones who are gone, may we pay them memorial tribute by our own right and just living.

"Lives of great men all remind us,
We can make our lives sublime;
And parting, leave behind us,
Footprints in the sands of time."

Respectfully submitted, M. V. Parrish

Whereas: We have enjoyed the hospitality of the Sandy Creek and Peachtree churches, we express our thanks to all who had a part in making this such a happy occasion. To the other host churches, White Level and Mt. Zion, for helping to provide delicious lunches, for the heart searching sermons, the inspiring music and the beautiful flowers we give our heartfelt thanks.

Whereas: We are indebted to our associational officers for leading us in such a marvelous way the past year, be it resolved that we pledge to them our continued support in the coming year.

Respectfully submitted, Mrs. Wilson Gay, Mr. Alton Strickland, Mr. Charles Ellis, Mrs. T. H. Steen, Chairman

At this point A. S. Tomlinson read report of the Nominating Committee for officers and the various committees for 1960. The report was adopted and the list of officers and various committees appear elsewhere in this minute booklet.

A rising vote of appreciation was given Joe Savage for the fine job done as Moderator of the Tar River Baptist Association.

Congregation stood and sang together, "Jesus Shall Reign" after which the closing address on Foreign Missions was given by Dr. Robert Lindsey, Missionary to Israel. His subject was "Going Fishing". This was really an outstanding speech viewed from any angle.

A. S. Tomlinson installed the new officers for 1960.

The congregation voted to adjourn and the benediction was pronounced by Rev. Forrest Teague.

However, it may justly claim for itself, for its purposes, and for its recommendations the very highest consideration and regard.

B. The Association may dissolve connection with any church that becomes disorderly in practice, or that fails to represent itself either by messenger or letter at more than two consecutive sessions, or that treats with contempt its purposes and requirements, or upon application of a church for its own dismissal.

The Clerk called the roll of churches. All churches in the association were represented.

Motion made seconded and carried that delegates, alternates, and pastors here assembled shall constitute the 130th Annual Session of the Tar River Baptist Association.

Motion was unanimously carried approving minutes of the last Annual session as printed in the Minutes.

Motion prevailed adopting the printed program with such changes as may become necessary as a working schedule for this annual session.

Rev. Gilbert McDowell, host pastor gave a few words of welcome. The history of the Pilot Baptist Church was read and adopted.

HISTORY OF PILOT BAPTIST CHURCH

In the year 1888, the people of the Pilot community felt deeply the need for a church. The Rev. Mr. O.L. Stringfield, pastor of the Whitestone Baptist Church, assisted some of the people at Pilot in the organization of a Sunday school. This school was held in a brush arbor located near the present site of Lemmie Massey's garage.

Mr. L.H. Joyner, an elderly farmer, and some twenty-five people met under the brush arbor on the second Sunday in May of the year 1888, and the Sunday School was organized. Mr. Joyner was elected the first Sunday school superintendent and served in that capacity for 25 years. After about two years under the brush arbor, the Sunday school was moved to the old public school house.

From 1888 until 1903 the Sunday school continued. It was in 1903 that the church was organized. The name chosen for the church was Joyner's Chapel. In 1924 the name of the church was changed from Joyner's Chapel to Pilot Baptist Church.

Rev. George Duke helped organize the church and was called as the first pastor. Services were held in the old school house located just southeast of the present church annex. In 1904,the church was admitted into the Tar River Association.

There have been eleven men who served as pastors since the church was organized in 1903. Rev. George Duke was the church's first pastor and served until the early months of 1911.

In early 1911, W.L. Bilbro became pastor. Rev. Bilbro lived at Middlesex while serving Pilot Baptist Church for three years.

In 1913, W.H. Hartsell began a pastorate which continued for five years. J.W. Noble and J.F. Mitchiner were pastors in 1919 and 1920, respectively.

In 1921, A.A. Pippin began a pastorate which was to last 13 years. The minutes of the 1921 Tar River Association show that there were 57 baptisms, which is the record number of baptisms into the church for any given year in the history of the church.

In 1933, Rev. Ford Burns began a pastorate which lasted about six years. He was followed by Rev. Richard Collins who served for more than a year. The Rev. Mr. Collins was followed by Rev. Ralph Cannon who served some three years.

Rev. M.A. Pegram began a pastorate in 1944 which lasted 11 years, ending December 28, 1954. Rev. Gilbert W. McDowell was called as pastor January 30, 1955, and is present pastor.

In 1907 work was begun on the first church building. The first service was held in the new building on August 28, 1908. The present church building, the second in which members have worshiped since 1903, was erected during the pastorate of Rev. M.A. Pegram in the latter part of the year 1949 and early 1950. The first service held in this building was on August 6, 1950. Dedication services were held on November 19, 1950.

In the fall of 1945 and spring of 1946, a pastor's home was erected for the church.

Pilot Baptist Church was a part and half time church from its founding, in 1903, until 1956. On Sunday, February 12, 1956 the church voted to go full time. Full time work was begun October 1, 1956. Gilbert W. McDowell, thus became the church's first full time pastor.

Early in 1953 the church purchased the elementary school property which included the school building and five acres of land. During the latter part of 1959 this school building was remodeled and made into a church annex.

The Baptist Church at Pilot is a miracle for the Master. We pray that in the years to come, we shall do much for His Glory. We believe that we are ready for Him to---"Lead on O King Eternal."

The congregation stood and sang together, "We're Marching to Zion", after which new pastors of the Association were presented. Visitors were also recognized at this time.

In the absence of W.O. Fuller Jr. Treasurer, A.S. Tomlinson read the Treasurers report which was adopted.

Eugene Perry, Auditor gave his report which was adopted.

AUDITOR'S REPORT

I have examined the records of Mr. W.O. Fuller, Jr., Treasurer, Tar River Baptist Association, for the year ending September 30, 1960.

Based on such tests of the records as was considered necessary, it is my opinion that the financial statement submitted to the Association,

by the Treasurer, presents a true financial portion of the Association at September 30, 1960.

Respectfully submitted, Eugene Perry, Auditor

Vice Moderator, Walter Fuller was recognized and made a few remarks praising the associational leaders for the progress made during the year and then presented Dr. J.H. Blackmore who gave the moderator's annual address, which was adopted.

MODERATOR'S ADDRESS

In I Samuel 11:14, we read of Samuel's saying to the people of Israel, "Come, let us go to Gilgal and renew the kingdom." He spoke these words after Saul, the anointed but uncrowned king, had just rallied the men of Israel and had led them against a cruel and arrogant enemy. God had blessed Saul in this and had given him a mighty victory. Samuel came and called the people to go back to Gilgal to renew the kingdom.

At Gilgal stood the memorial stones which the children of Israel had taken out of the Jordan when they first crossed over into the promised land. Samuel was calling his people back to this sacred place to renew a kingdom which they had almost lost but which now they could reclaim and possess.

Today we are gathered to renew the kingdom of our Lord and Saviour Jesus Christ, for the thirty-seven churches of the Tar River Association are a part of the vast and eternal kingdom of our Lord. We too have great days behind us; in the one-hundred and thirty years of our history, we have had great men and women who have overcome strong foes. They have left us a priceless heritage.

But this is also a great day. This is a day of new beginning, when we move forward to do great things for our Lord. We may not be as large as we have been, for now there are four strong associations of the old Tar River territory; but we can be of the same heroic spirit and follow the leadership of God's Spirit to undertake great things again for our Lord.

This has been a good year for us. Thank you for the honor of electing me to serve as your moderator. Thank you for the fellowship and cooperation which you have given me during this year. I have tried to follow the example of my predecessor, Mr. Joe Savage, in visiting the churches of our association. I have not been able to visit in all of our churches, but what blessings I received in the churches which I was fortunate enough to visit. We are strengthened when we find that we are not alone in our devotion and work. We need to know more about each other and to fellowship more together. The News Letter which Mrs. W.J. Edwards of Castalia and Pleasant Grove published each month for us was a great help in keeping our people informed and in binding us together with the bonds of Christian fellowship.

The year brought many delightful opportunities and experiences--such as the G.A., R.A. Camp at Meredith under the leadership of Mrs. Howell Bass, and Rev. Lynwood Coffman, the first of our church Officers Leadership Clinic at Spring Hope and the many meetings of our Executive Committee where we sought God's answer to many problems and issues which faced us.

The first of these problems was whether or not we could go into full-time missionary program for our association. When our association concluded its meeting last fall, $3994 had been pledged for associational work; we would need $6500 for a full-time program. We applied for assistance from our Baptist State Convention and appealed to our churches for more help. You replied by raising your pledges to $5,500 and the General Board of our State Convention promised a grant of $1,080 a year for our associational work. As the matter had been left in the hands of the Executive Committee, we voted to call a full-time associational missionary.

The second problem was to find God's man for this place. Upon the authority of the Executive Committee and in accord with our constitution, your moderator appointed the following as a committee to find this man: Rev. Aubrey Tomlinson, Mrs. H.M. Dickens, Rev. Gilbert McDowell, Rev. J. Parker McLendon and Mr. Joe Savage. This committee proceeded at once to draw up terms of agreement which were accepted by the Executive Committee and which will later be presented to us today. Mr. Tomlinson will tell the story of their efforts and success later, but let me thank them most sincerely now for all that they have done.

The third major problem was that of housing our missionary. A Committee was appointed to investigate both the temporary housing and the possibility of building a house which our association would own. The moderator appointed Mr. Walter E. Fuller, Rev. Hugh Borders, Mr. T.H. Edwards, Mrs. R.B. Freeman and Rev. Harold Steen. We'll discuss their report later, but again let me thank them for a job "well done."

The report and recommendations of the Executive Committee will give you the answers which we made to these questions. They are presented to you after much study, discussion and prayer. May God lead us to do what is His will in these matters. May our decisions today be a part of our "renewing the kingdom."

I now recognize our clerk, Mr. Lamm, for the presentation of this report and the recommendations of the Executive Committee. Mr. Lamm.

October 31, 1960

Mrs. Montagress S. Mercer
Route 4,
Louisburg, North Carolina

Dear Mrs. Mercer:

On October 19th at Pilot, the Tar River Baptist Association voted to receive your gracious offer of a one-acre tract of land upon which a house for our associational missionary is to be constructed. As its moderator, I was instructed to inform you officially of this action and to thank you on behalf of the entire association.

The next day, at Centerville, the necessary changes were made in the constitution of the association and the proper trustees were elected for the receiving and the holding of property in accord with the laws of our state. in the near future you will be contacted by the proper authorities for the completion of this transaction.

We were greatly moved by the enthusiasm for this project which was manifested at the meetings, and we are hoping that within the near future we shall be ready to begin construction.

Again, on behalf of our association and in our Lord's Name, thank you.

Sincerely yours, James H. Blackmore

Clerk, M.T. Lamm read a report on the high lights of the Executive Committee and then read a list of recommendations to the association from the Executive Committee. The report was adopted.

EXECUTIVE COMMITTEE REPORT

Your executive committee held four meetings during the year, and this report is a sumary of the actions taken during these sessions.

I. Highlights of the Year.

Being instructed to call an Associational Missionary whenever the committee felt the churches were prepared to financially support the undertaking, and receiving from the churches total pledges of $ 5,500, the committee proceeded in November 1959 to approve the appointment of a

nominating committee with Aubrey S. Tomlinson as chairman. This committee made its final report on July 8, 1960, and the Rev. J. Parker McLendon McLendon was unanimously called to serve as Associational Missionary. He assumed his duties on September 12, 1960.

The $5,400 salary and expense account for the missionary was set as follows: $3,120 salary; $600 rent; $300 utilities; $400 retirement; $600 travel; $150 convention; and $230 office expense. Further, the executive committee entered into agreement with the missionary relating to his work as follows: (1) The statement of duties as set forth in the constitution shall be considered as defining the responsibilities of the missionary; (2) The missionary may spend up to sixteen (16) days each year in revivals outside the association; (3) He may spend up to thirty(30) days each year in assistance to the Baptist State Convention and/or Southern Baptist Convention; (4) He shall have fourteen (14) days of vacation each year; and (5) Churches within the association will not be expected to remunerate the missionary for services rendered, but any gifts which may be offered to him by the churches may be accepted by him and reported to the associational treasurer for permanent record.

The committee made a settlement with the W.R. Collum Association regarding the jointly owned equipment. It was divided so that they retained the sound movie projector and screen, and we retained the balance of the equipment, namely the addressor, mimeograph, and slide projector. The committee further provided for the purchase of office furniture and equipment, not to exceed $500. The missionary's office is now equipped with desk, three chairs, typing table, filing cabinet, typewriter, and reconditioned electric mimeograph at a cost of $485.

The matter of housing for the missionary was discussed, and a committee with Walter Fuller as chairman brought a report to the May session of the committee which recommended location and plans for the proposed house. After approval by the committee the report was mailed by the moderator to each church, and the executive committee members were asked to report at the next meeting how the churches felt about it. In the October meeting the recommendations received final approval for presentation to the association.

II. Recommendations of the Executive Committee.

1. That the attached associational calendar of activities be adopted for 1960-61.

2. That we request a School of Missions for our association for the Fall of 1962.

3. That the one acre tract of land located ¼ West of Duke Memorial Baptist Church and donated by Mrs. Montagress Mercer be accepted as the site for building the missionary's home.

4. That the Ephesus Baptist Church parsonage be used as a model for the construction of the house at an estimated total cost of $16.000.

5. That any amount over $1,000 in the general fund be placed in a Building savings account, that the churches be encouraged to commit themselves to specific amounts for building the house, and when 1/3 of the total estimated cost ($16,000) is accumulated, construction will begin.

Respectfully submitted, M.T. Lamm, Clerk

Clerk, M.T. Lamm read a suggested Calendar of Associational Activities for 1960-61 which was worked out by the associational missionary and approved by the Executive Committee. This Calendar was adopted.

A motion was made and seconded that we build a Home (house) for our missionary on the lot which has been presented (donated) by Mrs. Montagress Mercer and that we accept the lot of land as donated. After discussion a vote was taken--161 voted in favor of building and none voted against building.

Walter Fuller, made motion which was seconded and passed, that O.B. Moss, Judge G.M. Beam and J.H. Blackmore be elected a committee to draw up legal proceedings for the purchase of or mortgaging or selling of property of the association, and to report back at Thursday's Session.

Motion by Walter Fuller and seconded that the moderator and Clerk draw up appropriate resolutions of appreciation to Mrs. Mercer for the land donated. Motion carried.

Motion prevailed authorizing the Executive Committee to use the savings account for the building of the missionaries home what to them it seems wise and proper.

At this point time was extended in order that messengers might have opportunity to discuss ways and means of raising sufficient money to build the Home. Several churches made pledges for the cause.

Congregation stood and sang, "When I Survey the Wondrous Cross," after which Rev. James Sides read scripture and led in prayer. This was followed by a solo "The Stranger of Galilee" by Rev. William Bagnal, a visiting minister.

The Annual Sermon was delivered by Rev. Grady Faulk. This was a great message viewed from any angle.

WEDNESDAY AFTERNOON SESSION

The host churches served a delicious lunch to some 300 people present after which the meeting reconvened.

Rev. James Pernell read scripture and led in prayer, after congregation had sang "To The Work".

Cadwin Cone was presented and praised for the very fine performance at the electric organ.

The moderator expressed sympathy to the Rev. W.J. Edwards, who fell and fractured a leg bone, and was unable to be present.

Mrs. Vann Weaver was presented as a "Mother." Her son Gerald is now a missionary to the Congo.

Reports on Associational work. Wallace Bryant read the report on Sunday school. Adopted.

SUNDAY SCHOOL REPORT

As Associational Sunday School Superintendent, I believe we as Christian people are going to have to take inventory of our lives and ask ourself the question "Am I serving God to the best of my ability with the talents I have?"

Our Sunday school is the place we should start. Everyone of our officers and teachers, through the guidance of the Holy Spirit, should strive to improve their life and the life of those that hear them teach each Sunday. Every Sunday school needs a good vistation program to reach those people that are not Christians. It is through this part of our Sunday school program we can carry out the great commission of our Savior when He said, "Go Ye."

I was in a meeting in the Baptist State Convention Building in Raleigh last spring and also at the Forest Hill Baptist Church this fall where I heard outstanding men discuss an enlargement program in our churches. Because the Sunday school is the foundation of our church program, we should begin here to enlarge our church program.

This year could be one of the most fruitful years in the history of our association. Under the capable leadership of our fine missionary, we will have special emphasis on different things through out the year. We will have classes that will give everyone in the association an opportunity to grow spiritually and train ourselves in the service of the Lord.

So let's pledge our lives to serve our Lord and Savior this church year more than we ever have before.

Respectfully submitted, Wallace Bryant,

Rev. Garland Foushee read the report on Baptist Training Union. Adopted.

TRAINING UNION REPORT

Each year over our sin-sick world more lights of freedom go out. Little by little the Communist extend their influence to capture the minds and devotion of a greater number of earth's restless, growing populations.

It is time that God's Army of Christian workers realized that our warfare is "not against flesh and blood, but against principalities, against powers, against the rulers of darkness of this world, against spiritual wickedness in high places."

At this momentous period of our nation we may have our last chance to take seriously our profession, put the Kingdom of God first and practice daily the teachings of our Lord.

I believe that the Training Union offers us the best opportunity to understand our profession, discover our talents, develop our Christian skills and carry out the Great Commission. We can have a revival of the spirit that will change our lives, remake our homes, revitalize our churches and strengthen our schools and thereby push back the flood tides of sin.

While the lights of freedom are going out all over the world, can we the Tar River Association be content to see one dark church building on Sunday evening. All of our churches can not have full-time preaching, but every church can have full-time teaching and training.

It was my desire to give a fuller report on our Training Union work, but out of twenty seven churches with Unions only thirteen churches reported the needed information to make such a report. Those that have reported for the last quarter are: Bunn, Duke Memorial, Cedar Rock, Franklinton, Hickory Rock, Maple Springs, Mt. Zion, Rock Springs, Pearce, Spring Hope, Samaria, Social Planes, and Castalia. It is regreted that this report can not be complete.

We are proud of the twenty seven Training Unions and pray that the ten other churches will do all possible to organize Unions this year.

With the help of our associational Missionary, it is my desire that a full slate of Associational Training Union officers can be elected at an early date.

Two new Unions were organized this year. Pearce Church organized last November seven units with 115 enrolled. Castalia organized late this year a Union with four units.

Those that have reported having Youth Week in April are: Bunn, Duke Memorial, Cedar Rock and Franklington. Let us make an effort to enclude Youth Week in our church calendars this year.

It was noted in the quarterly reports that where there is a strong Adult Union, that church has a strong Training Union. There can be no strong training program without the adults. Our boys and girls are gifts from God to us. God working through them is our hope for the future. We adults owe them an example of dedicated lives. We owe them ourselves as their leaders. We owe them a training program that will appeal to the best that is withinand challenge them to offer themselves up to Christ as living sacrifices. Against this weapon the Communists have no defence. We must train now if there is to be a world for our children to grow up in.

Mr. "K's" prophecy, "We shall bury them could come true." God help us that it will not.

Respectfully submitted, Garland L. Foushee, Dir.

Mrs. H.M. Dickens read the Woman's Missionary Union Report. This report appears among the statistical tables in the back of this minute book. The report was adopted.

Spencer Edwards read the report on Brotherhood. Adopted.

BROTHERHOOD REPORT

Our Brotherhood has been one of the weakest organizations in our association. We have not had the organization that we should have. We need our men to get out and work and stop letting the women do all the work. The churches that get along the best is the ones with a brotherhood.

With our new missionary we hope to organize. We have high hopes for our Brotherhood in nineteen hundred and sixty one.

Vacation Bible School Report was read by Rev. Grady Faulk. Adopted.

VACATION BIBLE SCHOOL REPORT

The Vacation Bible School Clinic of the Tar River Association met with the Louisburg Church on May 4, 1960. One hundred and twenty-five persons from twenty-six of our churches were present.

Twenty-six of our churches reported Vacation Bible Schools this year with a total enrolment of two thousand one hundred and twenty-six (2,126). The mission offering was $362.92 which was sent to the Cooperative Program. There were forty-two professions of faith and fifty-one dedications to vocational Christian service.

Our churches seem to have caught a vision of the importance of Vacation Bible Schools. A large increase was shown over the previous year. May God lead us in this vital aspect of His work.

Honorable O.B. Moss read a proposed amendment to the constitution, which was defered for final passage Thursday Oct. 20th, 1960.

Rev. A.S. Tomlinson presented our missionary J. Parker McLendon to the Association. This speech of Introduction was adopted and ordered printed in the minutes.

To Present our Missionary.

Rev. McLendon than gave the closing address of the day. This address in an abreviated form was adopted for print.

TO PRESENT OUR MISSIONARY

J. Parker McLendon

Since 1956 the Rev. J. Parker McLendon has been one of the most active and effective workers of the Tar River Association. First, as Pastor of the Maple Springs Church in November, and then the Duke Memorial Church in December 1956. These Churches have been increasingly strengthened during his ministry. Duke Memorial has completed a new educational building and attained state wide prominance in the "Church of the Year" contest.

But it is as he has contributed to the Association that we have seen him. He labored indefatiguable in the work necessitated by the division of the 62 Church Tar River Association into the present two Associations. In the framing of the Tar River Constitution he gave wise and positive leadership. Through the Pastors' Conference, through regular attendance and work he has been one of the most effective members of the Association in forward planning. As the elected head of other departments of Associational activities we have found his advice wise and practical. His counsel is not so visionary as to be out of reach, nor is it so cautious as to prevent positive advance. In these years he has come to know our Association -our Churches our people, by being one of us, sharing our hopes and trials, our triumphs and disappointments.

Mr. McLendon was born in Trenton Florida, educated in Deland. He received the B.A. degree from Stetson University, the Baptist school in Florida, in 1953; the B.D. degree from Southeastern Theological Seminary in 1960. He was ordained by the Fairfield Church, Reddick, Florida, in 1949, and was pastor of 3 Churches in Florida over a period of 7 years. He came to North Carolina in 1956.

Sharing the life and work of the Pastor's calling with Mr. McLendon are his wife and 3 daughters. Mrs. McLendon is the Miss Frances Boyette who attended Stetson University. Their very charming daughters are Novella, age 10, Martha, age 7, and Sheryl, age 5.

This is the man and his family to whom your Committee to Secure a Missionary turned. This is the man wholeheartedly elected by our Associational Executive Committee. He is the Pastor reluctantly released by his Churches. J.Parker McLendon is the man I delight to present to you as our Associational Missionary. Let us all receive him with joyous pledge

MISSIONARY ADDRESS

This message is intended to set forth a perspective from which we may evaluate our possibilities and our limitations with a view to wise planning for the future.

Edmund Perry, in his provocative book, The Gospel In Dispute, states, "The most obvious and appalling factor in the present situation of the Christian mission is that the entire geographical world has reverted to a mission field. There is no geographical domain over which the Christian faith any longer holds sovereign influence.(p. 1.) Every Christian congregation, regardless of its location, whether in city, village or countryside, is set amidst an environment as definitely missionary as any mission station in Africa or Asia. We are brought abruptly to Jesus' own word.. "The field is the world." (Matt. 13:38) It is neither accurate nor adequate to speak of missions in terms of "far away places with strange sounding names. We must also use names as familiar as the address on your daily mail.

Can it be that we are in the heart of a mission opportunity of which we have been only vaguely aware? In what sense is Tar River Association a mission field? Note, if you dare, with critical honesty the evidence of our time and place. While present day Americans readily identify themselves with a church, many do not at all intend to suggest that they are committed to Christ or that they participate in the life of worship. For them church membership is nothing more than a social identification. We have unprecedented lip service to the church, yet too often our manner of business, our political and social decisions are as far away from Christ as if we were worshipping in a Shinto shrine. Wherever people are hostile or indifferent to the Christian faith, there is a potential mission. To the extent that vast numbers of our own people are uncommitted to Christ and those who have responded are spiritually immature Tar River Association is a mission field . And in this context we speak of our churches and associational missions.

What of these thirty-seven churches, their responsibilities and opportunities? May I share with you what I conceive to be the challenge of our situation? These ideals I would dream for our churches.

I would dream that we may know a life of spiritual worship. By this I mean that each service of the congregation may be a confrontation with God. How meaningful the worship when each one comes with expectancy, thrilling to the spirit of communion with those of like mind, being cleansed in confession and forgiveness, lifted in adoration and prayer to fellowship with the Almighty, confronted with the demands of the proclaimed word, prepared alike for temptation and opportunity, and going out to live the new week in conscious fellowship with the redeeming God. Thus the church will become a worshipping community.

I would dream that each of our churches may know a life of Christian service. We need to learn how to give ourselves as instruments of redemption. Your church can avoid the cross so long as you are content to be the only Christians, just as Jesus could have avoided the cross if He had been willing to remain the only Son of God. But whenever the church dares to become a living witness, there stands a cross squarely in its path, and by the principle of that cross the church must lose itself in the life of those whom it would serve in the name of Christ. Only as it is willing to lose its life by being broken can it truly be the Body of Christ.

I would dream that we may know a life of maturing Christian personality. Such an ideal involves a plan of Christian education through precept and

example which inspires and directs Christian growth. This maturity can come only as we relate the truth of the gospel to the affiars of home and market and school. To teach adults and youth what the Bible has to say about the practical matters of everyday living is one of our churches' most pressing responsibilities.

I would dream that we may know a life of expanding vision until we behold all of God's creation and each of God's creatures. We must seek to understand what God is doing in His creation and learn to cooperate with Him in that activity. In this sense we will "join the human race" and see ourselves as citizens of the whole world. From this perspective we will see that our rich inheritance of human and material resources can be committed to God's plan of the ages. We will give of our means, but even more, we will make our greatest mission gift through prepared young people whom God can call and use effectively in worthy service.

Our hope for realizing these ideals in this: we must apply the ageless truth of God with freshness and vigor to the changing environment of our technical age. We must recapture the spirit of the New Testament church by which we will dare to live adventurously under the discipline of the Holy Spirit. We cannot seek the answers for our situation in tradition or any external authority, but rather, under divine imperative and with divine guidance we must give creative thought to the vital issues of our day. Camp meeting evangelism no longer draws the entire community to the church, but is evangelism dead because we are bound to a single technique of presenting Christ? Not at all; we can find a dynamic witness in personal contact and prophetic preaching which is winsome and effective. Our fathers came to church once a month, tilled the land, and seldom traveled outside the county; but your son stands a good chance of serving a military tour of duty in Korea or Germany before he is old enough to vote. A part-time church with a hit-or-miss program of Christian education will not prepare him morally and spiritually for the challenge of his day.
fathers came to church once a month, tilled the land, and seldom traveled outside the county; but your son stands a good chance of serving a military tour of duty in Korea or Germany before he is old enough to vote. A part-time church with a hit-or-miss program of Christian education will not prepare him morally and spiritually for the challenge of his day.

Don't you see? Just as the New Testament church had to act without specific precedent, venturing to meet each new crisis under the guidance of the Holy Spirit, we are now compelled to come to grips with the reality of our environment and seek the divine directive. Such a venture demands our very best intellect whetted to its keenest edge and disciplined by the highest widsom. We cannot afford sloppy thinking or selfish motivation. And I confess to you that I am not sure we are men and women enough for the job. But here we stand; we believe we are under divine orders. We call on our God to be strong where we are weak, wise where we are foolish.

What of the association? With the conviction that its purpose and meaning can be understood only from the perspective of the local church, I suggest three ways in which I believe the association can play a vital role in the life of our churches and the denomination.

1. The association will seek to undergird the total ministry of the local churches. This is to affirm that it will never compete with the local church, but will support so as to make more effective the work of the individual congregation. Associational conferences and rallies will provide practical assistance for the workers of the churches, special associational emphases will be planned to strengthen the witness of the local church, and your missionary will stand ready to assist in any way you deem appropriate and cooperate with your pastor to provide whatever resources his ability and training make practical.

2. The association will provide a means of working together toward common goals. We share the common hopes and fears of all Christians, and the association can be a valuable workshop for inter-church cooperation. While our state and southern conventions are usually beyond the personal participation of our people, the work of the association is within the reach of every interested member. Here each one can know the value of participation in denominational life and the investment of life in a broadening field of service. We offer mutual counsel for the common good, and through our fellowship in the cooperative effort we know that we are a part of those in every community who seek to bring in the Kingdom of God.

3. The Association will seek to inform and enlist the churches for world missions. The world mission challenge will be kept before our people, not to coerce them, but to provide a basis for intelligent, wise and voluntary cooperation in the causes of our denomination. As each church comes to see itself as a mission center living in a world context, its intercessory prayer, its financial strength, and its human resources will be yielded to the call of God. Your church can know no higher ideal than to become a missionary recruitment station, preparing young people to hear and heed the call of God.

From the perspective of these ideals it is evident that we must evaluate our labors by some means other than simple statistics of attendance, church budgets and decisions. Young people being called out of our churches for Christian service; the Lord's Day becoming increasingly sacred for our people; fewer illicit stills and less alcohol consumed in our area; tenant farmers getting a fairer share of the fruit of their labors: these are a few of the evidences of deepening spirituality, broadening vision, and maturing Christians.

Have we been just preaching and "putting on the rousements?" I hope not. This message has come from a growing conviction that the Tar River Association can be a vital force in the growth of our churches, and therefore deserve their respect and support. To the end that we may give creative thought to the problems of our situation, and develop a cooperative organization which will effectively undergird the total ministries of the participating churches and give meaning and purpose to our common mission enterprise, I offer for your consideration the following specific proposals, for the coming year:

1. The moderator will appoint a Planning and Survey Committee of one pastor, one layman, and one laywoman. This committee will work with the missionary to design a self-evaluation form for use by the churches which will reveal the needs and resources of the churches in relation to the association. 2. The pastors will be asked to assume responsibility for completing the self-evaluation in their respective churches. 3. On the basis of the information obtained in the survey, and in conference with the Missions Committee and Executive Committee, the Planning and Survey Committee will propose a long range development program for action by the 1961 annual session of the association. 4. Upon adoption by the association this program will become the guide for our work during the specified period of time.

THURSDAY MORNING SESSION

Oct. 20, 1960

The second day was held with the Centerville Baptist Church.

The meeting was called to order by the moderator, Dr. J.H. Blackmore. The congregation sang "All Hail The Power of Jesus Name," after which the devotional was given by Rev. Kenneth Holland.

At this time Rev. T.H. Steen, host pastor gave a short welcome address, and handed in History Report of Centerville Baptist Church. This History report was adopted.

HISTORY OF THE CENTERVILLE BAPTIST CHURCH

Centerville Baptist Church was constituted in 1914, as the result of the labors of the late George W. Coppedge with 21 members, and united with the association the same year. At that time services were being held in the old academy building under the leadership of the following as pastors:

Rev. A.G. Wilcox, G.M. Duke, J.H. Harper, G.W. Coppedge, A.P.Mustian, J.W. Teague, Lloyd Teague, and B.E. Morris.

In 1918, the late John Neal donated the present site to the community for a church building providing it was used as such.

In 1923, a wooden structure was begun and dedicated three years later. During this time Rev. G.W. May was the efficient pastor. Mr. May was followed by Rev. John Lambert, who served a short while. He was followed by Rev. John Edwards. Plans were made under his leadership to tear down the wooden structure and erect a brick one. While these plans were being made, Mr. Edwards left. The Rev. W.P. Childers took his place and served eight years. During this time the present building was erected.

Mr. Childers was followed by the Rev. Gene Owens. Mr. Owens served four years, and the present church was dedicated during this time.

At present the Rev. Harold Steen is the pastor, and much is being done under his efficient leadership, with 250 members.

Respectfully submitted, T. Harold Steen

Singing during the day was led by Douglas Mitchell while Mrs. Wilton Leonard presided at the Electric organ and Piano respectively.

After the congregation sang, "Praise Him praise Him," Mr. Marse Grant, Editor of the Biblical Recorder."

Mr. Grant noted that the church paper is to publicize what Baptists do; be "Watch dog" for the good Baptist name, and be a forum for discussion of the issues of the day. "The World is going forward on printer's ink," he stated.

A motion prevailed that the messengers, alternates, and pastors present constitute a quorum for business.

O. B. Moss read the proposed amendments to the Constitution. After full duscussion, a motion was made and duly seconded that the amendment be adopted. Motion carried unanimously.

CONSTITUTIONAL AMENDMENT 1960

Be it resolved, that Article II of the Constitution of the Tar River Baptist Association be amended as follows:

Strike out the period after the word churches in line five of Article II, insert a comma and add the following: And to properly carry out these purposes and other necessary purposes and activities of the Association, it shall be authorized and empowered to receive by purchase, gift or otherwise title to real or personal property, and to sell, convey or mortgage same for the use and benefit of said Association and its officers and agents, and shall elect three Trustees from its membership to hold title to all said property, who shall hold said title for said Association, who shall serve for a term of three years or until their successors are elected, and said trustees and their successors in office shall have the power and authority to sell, convey or mortgage any or all said property upon authority duly given by the Executive Committee of said Fox River Baptist Association.

Respectfully submitted, O. B. Moss, Chairman

A motion by T.H. Steen, seconded by Grady Faulk, that the association authorize the Executive Committee to borrow not to exceed the sum of ($10,000.00) Ten thousand dollars for the construction of the missionary's Home. The motion passed by a unanimous vote.

A motion by R.L. Coffman, that the moderator be authorized to appoint a building committee of 5 members to supervise the construction of this home for the missionary. The motion passed unanimously.

T.H. Steen read report on Christian Education. Adopted.

CHRISTIAN EDUCATION REPORT

A function of Christian education is the inculcation of ideals, loyalties, and attitudes, as well as the motivation and direction of individuals in acquiring knowledge, making choices of accepting responsibilities as Christian leaders, and participating as responsible citizens in a democracy.

In our seven North Carolina Baptist Colleges, young people receive the kind of higher education which prepares them for lives of Christian leadership and service.

These colleges are fully accredited. They are staffed with Christian men and women. Their students have the opportunity to learn in an atmosphere which enriches their faith and deepens their devotion to Christian service.

All of our colleges are fully accredited by the Southern Association of Colleges and Secondary Schools, and are members of recognized educational associations.

Students pay less than 50 per cent of the operating expenses of our colleges. Because we cannot ask them to pay more without denying to many the advantages these institutions offer. We provide financial assistance through contributions on Christian Education Day.

We urge all Tar River Baptists to participate generously in this offering and to pray for the continued success of our schools in their work with young people.

Respectfully submitted, T.H. Steen

This report was spoken to by Mr. Oscar Creech of Chowan College.

Linwood Coffman read report on Evangelism, adopted.

EVANGELISM REPORT

There never was a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. Most pastors can count on the fingers of their right hand the number of Christians in the membership of their church who make any attempt to win lost people. Practically every community has many lost people. Many who are lost do not know it. If death were to come immediately to the people we meet every day, every other one on an average would go out of this life unprepared to meet God. Drive down a country road and look out across the fields where people are working. If the Lord were to come today, it would be literally true that "the one shall be taken, and the other shall be left". Some of them are young, some are old. Some are rich, some are poor. Some are learned and some are ignorant, but "all have sinned, and come short of the glory of God".

The terrible penalty of those lost multitudes is not entirely in the future. They do not enjoy the blessings of salvation today. There are hundreds of homes in the area of the Tar River Association where children have never been blessed by a parent's prayer. If sickness or other trial comes, they must depend altogether upon their own spiritual resources. Their parents do not know the assurance and security that come by being able, as Christians to place their children in the hands of a loving God. This lack of spiritual security on the part of parents and children reflects itself in every area of home life and results in frustration , guilt feelings, delinquency, and sinful

living. Rare is the case where a husband and wife, both active, participating members of the same church have their home broken by divorce. If circumstances today can shock us our of complacency, then every Christian should be alerted to the urgency, stark urgency, of evangelism in this Atomic Age.

In his message before the Southern Baptist Convention meeting in Miami, Florida, Billy Graham said, "America is the world's greatest mission field". If this be true, and no doubt it is, and if Southern Baptists are the leading evangelical denomination in America, and we want them to be, then we must match this hour with total dedication to evangelism.

Therefore, we recommend:

1. That we strive to reach the "Evangelism Standards of Excellence" for our association annually.
2. That our association have an evangelistic clinic.
3. That every pastor renew his efforts to enlist mature Christians in personal evangelism
4. That every church co-operate fully with the Training Union in promoting the spiritual growth program, so as to help anchor and mature every member coming into the fellowship of the church.

Respectfully submitted, R.L. Coffman, Chairman

Report on Homes for the Aging was not read but handed in for adoption.

HOMES FOR THE AGING

God's gift to the Homes for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of general superintendent to his successor, William A. Poole.

The new superintendent is diligently at work and is finding a solid foundation on which to build and expand the ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the Aging.

At present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 106 residents in our three Homes- - Resthaven, 20; Albemarle, 34; Headquarters - 52. Even with our new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years.

One of the life-lines in our work is the vital relationship that we have with the pastors and churches in our Convention We could not operate without this very important and blessed tie that binds.

We are constantly experiencing mixed emotions in the Homes. We rejoiced with aunt Fannie Drumwright on her 99th birthday in July, and were saddened by the deaths of Miss Lillie Herring in October, Mrs. Mary Holder in April, Mr. T. J. Castevens in June and Mrs. Annie Smith in July.

We shall welcome a visit to the Homes from our fellow Baptists at any time and stand ready at all times to render the service that God has called us to render to the aging.

Report on Baptist Hospital was read by Mrs. P.J. Cash. Adopted. Mrs. F.D. Bissette spoke to the above report.

BAPTIST HOSPITAL REPORT

The ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examiniations, medical treatment, skilled surgery and spiritual guidance.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike - the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital receives about 3 3/4% of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we are going to have to become serious about our giving to the Mother's Day Fund.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it. to let our people know about the need, and to challenge them to give of their means.

Respectfully submitted, Mrs. P.J. Cash, Representative

In the absence of J.O. Bowden, Joe Savage read the report on the Children's Home. Adopted. Mrs. Herman Finch spoke to the above report.

REPORT OF BAPTIST CHILDREN'S HOMES

There are three Children's Homes in North Carolina. Mills Home at Thomasville with 311 children, Kennedy Home at Kinston with 165, and Odum Home at Pembroke with 24 children.

The Baptist Children's Home have developed Foster Homes for 160 children.

Children in these homes attend public schools and participate in all school activities. Opportunities of spiritual growth are offered on the campuses and churches. They have work, health care and recreation within the homes. The children are given errands and responsibilities as a parent would give his child. Visiting is an enjoyment by all the children. They may also visit their relatives and friends on week-ends and holidays.

Relatives, interested friends, pastors and social service agencies make inquiries about admission of children in need of care. Then well-trained case workers make a thorough study of each situation to determine the need and best possible plan of the care of the needy child.

The Baptist Child Care Program is supported through the Cooperative Program 31.5%; Thanksgiving Offering 31.9%; Special Gifts and Endowments 15.5%.

Income for the past three years has not been sufficient to meet the minimum needs. Therefore many children have been deprived a Christian home whom the Home should have been able to provide for.

North Carolina Baptists have been caring for homeless and dependent children for 75 years this November. During these 75 years 8,000 children afforded the best life offered.

North Carolina Baptists are encouraged to continue to love and serve these dependent children. No other object is so worthy of service and sacrifice. Many children confronts Homes each day with the need of Baptist help. Our interest and increasing support will help the Home meet the children's needs.

Respectfully submitted, Joe Savage

C. A. Vetch read report on Christian Literature. Adopted.

CHRISTIAN LITERATURE REPORT

This has been a year of change and transition for the Biblical Recorder, your state paper since 1833

On January 1, J. Marse Grant became editor, succeeding Dr. L. L. Carptenter who retired after 17 years in the editor's chair. Editor Grant came to the Recorder after 10 years as editor of Charity and Children.

Since the first of the year a number of changes have been made in the Recorder, including larger type and full-page pictures on the cover. In a study made by a nationally-known professor of journalism, the Recorder was rated among the top three state papers in the Southern Baptist Convention. The Recorder staff will not be satisfied until it rates Number 1 among the 27 state papers.

For the price of a 3¢ or 4¢ postage stamp, the Recorder can come into your home each week. For only $1.50 a year, or 3¢ a week, the Recorder can be sent to every family in your church. For a 4¢ stamp each week, or $2.00 a year, you can receive the paper in the Club Plan of four or more subscribers in the same church. A continuing campaign is being made to put the Recorder in more church budgets. Make no mistake about it. The printed page is going to win the battle for men's minds and hearts.

In this crucial year in American history, the following quotation is so pertinent as we think of the importance of the Biblical Recorder and other Baptist publications: "If religious literature is not widely circulated among the masses in this country, I do not know what is to become of us as a nation.

Respectfully submitted, Carol A. Veatch

At this time congregation stood and sang, "We've a Story to Tell to The Nations."

This was followed by special music by the Centerville Choir. They rendered two numbers - "Praise Ye the Lord" and "God the Almighty One"

The address of the morning session was delivered by the Rev. L. J. Morriss. His message was on state missions.

Dr. Richard Young chaplain of the Baptist Hospital was recognized and spoke briefly on the work at the hospital.

Rev. Virgil McBride returned thanks for the noonday meal.
Dinner served on grounds.

THURSDAY AFTERNOON SESSION

After a very fine dinner and social hour the congregation re-assembled for the afternoon session. The opening song was "Amazing Grace" led by Douglas Mitchell. Devotion was by Rev. Roy A. Walker.

Mr. Lloyd West conducted the Memorial Service which was adopted.

In Memoriam

We come now to the period when it is our sacred privilege to pause to express our gratitude for the lives and labors of those whom the Master has called to himself during this year. We would offer our praise to God for lending these lives to us and for the leadership, challenge and inspiration of their example. We would assure their families of our sympathy and our prayers.

Of Abel we read: "He being dead, yet speaketh." We refuse to regard these who have passed on as dead. They have as Stevenson said:

"Got some few steps ahead, and nearer to the end,
So that you, too, once past the bend,
Shall see again as face to face,
This friend you fancy dead."

In a very real sense they live to bless us today in the influence of noble lives, in the example of courageous convictions, and in the encouragement of faithful service. Let us stand with bowed heads in memory of these whose faith has ended in sight.

Respectfully submitted, Lloyd West

Committee on Time, Place and Preacher gave the following report which was accepted.

TIME, PLACE AND PREACHER REPORT

TIME: October 18 - 19, 1961
PLACE: First Day - White Level Baptist Church
Second Day - Pleasant Grove Baptist Church
PREACHER: Rev. Fate L. Thomas
Alternate - Rev. James Cyrus

A motion prevailed instructing the new Time, Place and Preacher Committee to plan a five year in advance schedule for the annual meetings.

Credentials Committee had no report.

Rev. Gilbert McDowell gave an oral report on missions.

Mrs. O. W. Perry, Historian for the association was presented and made a few remarks.

Motion prevailed instructing the Program Committee for next year to allow time for presentation of Associational History.

Rev. Forest Teague read the Resolutions Report which was adopted.

REPORT OF THE RESOLUTIONS COMMITTEE

BE IT RESOLVED:

1. That we express our appreciation to the members and pastor of the Pilot and Centerville Baptist Churches for the hospitality which they so graciously offered us and for all they did for our comfort and happiness - - for the bountiful meals, the lovely flowers, and inspiring music, the efficient registration, and other services that made our Associational Meeting so successful.

2. That we express our sincere appreciation to our moderator, Dr. J. H. Blackmore for wise and efficient conduct of the life and work of the Tar River Association.

3. That we commend the churches for their trust and enthusiastic participation in significant initial achievements of our Tar River Association and in particular their provision for building of house for our missionary and acceptance of the proposed long range plans for study and development.

4. That we express our gratitude to Mrs. W.J. Edwards for her very informative and helpful Associational Newsletter of the past year.

5. That we commend the committee on securing an Associational Missionary for having followed sound judgement and God's leadership in their selection of a missionary.

6. That we commend our Associational Missionary for his early grasp of the Associational situation, his willingness to work beyond the call of duty, his optimistic encouragement and that we pledge to him our full support, prayers, and love.

7. That we commend Missionary J. Parker McLendon for his acceptance and address and recommend that it be included in the Associational Minutes.

8. That we recognize God as the source of the Spirit which has enabled us to meet in harmony and mutual concern for progress in the Christian life of our Association.

Respectfully submitted, Forrest Teague, Chairman,
Meridith Henderson, Mrs. H. G. Nelms, Mrs. H. B. Taylor,
B. S. Strickland, Mrs. O'Deyne Mulless, Leamon Brantley

At this point Rev. E. W. Greene read the report of the Nominating Committee for officers and the various committees for 1961, (except members of the Executive Committee which are elected by the individual churches.) The report was adopted and the officers, committees and the executive committee appear in the Associational Directory found in the front of these minutes.

The moderator requested all officers and committees to stand and be recognized. He then led in prayer of dedication for these.

After song, "The Solid Rock", Parker McLendon introduced Rev. Garland A. Hendricks, Professor of Church Administration in Southeastern Seminary at Wake Forest, North Carolina, who spoke on "The Student Ministers and the Churches."

This message was vitally important and most timely - that many of the pastors of the Tar River Association are students at the Seminary.

A rising vote of appreciation was given outgoing Moderator, Dr. J. H. Blackmore.

Congregation stood and sang "Bless Be The Tie", after which Rev. Reid Winstead pronounced the benediction.

Meeting adjourned.
